Von Hannah Howell : Highland Honor (The Murrays) before purchasing it in order to gage whether or not it would be worth my time, and all praised Highland Honor (The Murrays):

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. Good sequel to Highland DestinyVon natouleThe second part is about Nigel. After spending years abroad as a mercenary

and trying to forget his impossible love for Maldie (his brother's wife), Nigel becomes the protector of a French noblewoman accused of murder. She looks just like the woman he's trying to forget. Coincidence or fate. Nigel is afraid to trust his feelings - are they really for her or for the other? And Gisele is afraid to trust Nigel after being abused by her brutal husband. The plot is not quite as multi-layered as in the first part but still very enjoyable. 1 von 2 Kunden fanden die folgende Rezension hilfreich. I LOVED THE HEROINE! Von DarcieI liked the book and thought that it was very exciting and very sweet how the hero is so understanding. I have to admit that I was not looking so forward to reading this book because my Mom picked it out for me. Lately she had picked up some bad ones. Just to let you know you do get mad at him a little toward the end for not telling her something, but it's not something you can't handle. Have fun with this read I know that I did.

Kurzbeschreibung Nigel Murray saw through her masquerade from the first: a young woman trying to pass herself off as a page. It almost worked--until she was unmasked in battle with the English, at the point of a sword. Recklessly Nigel saved the raven-haired beauty whose secrets now endangered them both. He spirited her off to Scotland, determined to erase the terror he tasted in her kiss. Gisele knew the dark side of men, having barely escaped the brutality of her highborn husband, Lord Deveau. Now, with Deveau murdered and a price on her head, she was every man's prey--hunted for a crime she did not commit. Nigel is her only refuge, a handsome stranger who challenged her with a fiery sensuality that burned all fear in its wake. But to truly trust him, Gisele must put the past behind her, and let her heart accept the simple truth of his undying love.
