**Von Haywood Smith : Highland Princess (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Highland Princess (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen11 von 11 Kunden fanden die folgende Rezension hilfreich. A beautiful love storyVon Ein KundeNine of Princess Bera's brothers came in peace, but were betrayed and captured by Lord Drust. He holds them in his dungeon. Her three remaining siblings offer Lady Bera in marriage to anyone who frees their siblings.As good a warrior as any of her brothers, Bera decides to try to liberate her brothers so she would not have to marry anyone. She disguises herself as a weaver to gain entrance to Drust's manor. At the same time Curran the Dark Knight also goes after the prize. Though attracted to one another, Curran and Bera remain rivals until he persuades her they need to team up to succeed. She reluctantly agrees to marry him and work with him to free her brothers. Bera knows that whether they prevail or fail, her life will never be the same.HIGHLAND PRINCESS is an

entertaining Medieval Scottish romance starring a compassionate male knight and an intrepid warrior princess. The story line never eases for a moment as the audience obtains a glimpse of life for adult females. Though the ease in which the hero and heroine capture their enemy is a bit disconcerting, the tale shows that Haywood Smith, author of DANGEROUS GIFTS and SECRETS IN SATIN, is clearly a rising star. Harriet Klausner

Kurzbeschreibung Action, adventure, and romance combine in a tale of fire and ice during the age of the princesses, when all of Scotland's warring kings had to be the sons of princesses, and the women fought alongside their men. Using her keen intelligence and lightning fast reflexes, Princess Bera has bested all twelve of her big brothers in combat, but must use all her keen intelligence and skill to free nine of them from a rival clan's dungeon before the Dark Knight can do so--and claim Bera as his reward. In a world where trust can spell disaster, both Bera and the Dark Knight guard their hearts, but eventually find a treasure worth more than riches and power. Kurzbeschreibung Action, adventure, and romance combine in a tale of fire and ice during the age of the princesses, when all of Scotland's warring kings had to be the sons of princesses, and the women fought alongside their men. Using her keen intelligence and lightning fast reflexes, Princess Bera has bested all twelve of her big brothers in combat, but must use all her keen intelligence and skill to free nine of them from a rival clan's dungeon before the Dark Knight can do so--and claim Bera as his reward. In a world where trust can spell disaster, both Bera and the Dark Knight guard their hearts, but eventually find a treasure worth more than riches and power. Synopsis Warrior princess Bera mounts a daring rescue attempt to free her brothers from the castle of a rival Scottish clan, but while sneaking around the prison in disguise, she falls into the arms of a mercenary hired to protect her enemy.
