Von Hannah Howell : Highland Promise (Murray Family Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Highland Promise (Murray Family Series):

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. As good as part I and IIVon natouleThe last part of this late medieval Scottish trilogy is as good as the former two (Highland Destiny and Highland Honor). Even though Eric meets his future wife in quite the same way his brothers did theirs, this story still has its own flavor. Being quite diminutive myself, I greatly enjoyed the heroine and her decently-sized

knight. A treat.1 von 1 Kunden fanden die folgende Rezension hilfreich. A heartwarming bookVon Davis0056It was nice to read a book where the hero isn't the biggest and baddest man in the world nor is the heroine the prettiest woman that had ever walked the earth. Eric, the hero, is trying to regain his birth right, and meets, beds, and marries (in that order and during a short period of time) Bethia. She comes from a family that any good social worker or family therapist would love to work with. She also is being hunted by a madman for thwarting his plan to seize a castle. It was also fun to see characters from Ms. Howell's other books, though you will enjoy this book without reading the previous two.1 von 1 Kunden fanden die folgende Rezension hilfreich. Gets better and betterVon Ein KundeEverytime Ms.Howell's books come out I rush to my store to get the newest copy. I know that I am spending my money on a book that I'll be pleased with.Too many times I have been upset with the quality of the books that I read. Ms.Howell writes the kind that once you start you can't put it down.This is one of my "keepers".

KurzbeschreibungFrom a New York Times bestselling author: In fifteenth-century Scotland, an embattled knight meets his fate in a young beauty fleeing for her life. Eric Murray was the youngest of his brothers, determined to gain his rightful inheritance after thirteen years of bitter dispute with his father's family. Starting out alone to confront his tightfisted kinsmen, he encountered a chestnut-haired beauty set upon by thieves. When she begged for Eric's protection for herself and her infant nephew, Eric promised to deliver them to the safety of her family. Bethia Drummond desperately tried to ignore her attraction to the azure-eyed stranger. Still, Eric Murray was Bethia's only hope of escaping her ruthless kin who planned to kill her and her orphaned nephew, and claim their inherited land. Then Bethia learned that Eric, too, was seeking land and coin from his own kin's closest allies. How could she love a man she might one day be forced to stand against? And yet she could not ignore what her troubled heart knew that this proud knight had more than inspired her deepest passions, he had become her very destiny.
