Von Tess Mallory : Highland Rogue (Berkley Sensation) before purchasing it in order to gage whether or not it would be worth my time, and all praised Highland Rogue (Berkley Sensation):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Scottish time-travel romanceVon Helen HancoxWhen Maggie Graham finds herself, during a dream holiday to Scotland,

transported back in time to 1711 she understandably finds it difficult to adjust. As she takes her first steps into history she stumbles into the middle of a battle between two highwaymen and the authorities. She's rescued by one of the highwaymen but the other is shot; Maggie soon finds herself helping her rescuer, Quinn MacIntyre, to find out whether his companion Ian MacGregor is dead or seriously injured. Maggie doesn't initially tell Quinn that she's from the future. She's not sure about him, for a start, and she is trying to come to terms with her jump through time. However she soon finds herself attracted to Quinn. But can they rescue Ian? Can she keep herself safe in a rough and basic world; and is there any future with Quinn when they are from different times? This was a reasonable light read with good pacing and some interesting characters. The historical detail in terms of dialogue sometimes let the book down and many of the events were rather difficult to believe in - for example, Maggie's midnight walk in her pyjamas to an ancient cairn. However those who like Scottish romances with alpha males and a time-travel twist should enjoy this story as long as not too much is expected of it. Kurzbeschreibung From the Queen of Highlander time-travel romance (Midwest Book) comes a sexy series set in the Scottish Highlands... 1711. They call him the Piper. A masked bandit seeking vengeance for his people, and Rob Roy MacGregors clan, Quinn MacIntyre leaves his victims with empty pockets, and a haunting tune played on the pipes that once gave him great joy. But when a flame-haired minx stumbles across his path, she awakens a new song in his heart. Now the outlaw faces a challenge more daunting than the Dukes patrols: Let go of the past and embrace the future Present day. On her dream vacation in the Scottish Highlands, aspiring archaeologist Maggie Graham discovers a tri-spiral carving in the floor of an ancient cairn, and unwittingly sets its dormant magic in motion. Sent tumbling back in time 300 years, Maggie uncovers the most amazing find of all Scottish hero straight out of her wildest fantasies. There are just two tiny problems with this grand adventure: She's trapped in 18th century Scotland, and the man she's fallen for is an outlaw, a thief, a daring Highland Rogue.
