Von Lois Greiman : Highland Scoundrel (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Highland Scoundrel (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. I was a bit dissappointed...Von Ein KundeBeware anyone who has not read the first in this series (Highland Brides - The Lady and the Knight) or even the other 3 earlier books!!! I felt the story was brief, and did not flow smoothly. The characters would be doing one thing, and in the next paragraph doing something else...it seemed almost like a non-sequitor. Part of what feeds this problem, is that there was so little description in the story. The charaters just did things, but there was very little attention given to how they were done.The only character in the story I felt was at all developed was our hero Dugald. Thus saying, he was developed, but the character itself was stretching the realm of realism. China and Japan were a VERY far distance in the late 1500's. Also making the reading uncomfortable was the fact that our heroine was spoiled rotten, or maybe extremely vain is a better description. There were many times I just

wanted to smack her (maybe that was Ms. Greiman's intention). And even by the end of the book I found very few qualities to redeem our Shona. I don't like to bash books, because I know the authors take a lot of effort to write them, but I cannot recommend this book. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Sensational. A wonderfully written romanance. Von CastleCeltHIGHLAND SCOUNDREL was my first read of this author. It was such a well written story I must go out and buy the rest of Ms. Greiman's titles. It is the story of a Highland lass who is a bit of a trouble maker (but it's never her fault)Her father has called all the eligible men in the area to a gathering of sorts. Competing with the other lords is a mysterious DARK STRANGER, named Dugald. He says he is here to claim a bride but Shona(the heroine) thinks he is hiding something. Amiss all the Highland games and courting of Shona is the story of Dragonheart a dragon amulet. Shona and her cousins have made a vow on it and now it winds up in Shona's custody. Someone is out to hurt Shona, is it Dugald? or is it someone who wants her dead for another reason? There is a lot of suspense in the story along with a bit of magic. This is a must read.

KurzbeschreibungHighland Brides #5Determined to find a husband for his stubborn daughter, Shona MacGowans father has called to his castle Scotlands most eligible clansmen. But for Shona, only one stands out: the stranger, Dugald Kinnaird. His raw, masculine power entices Shona, and when he sweeps her into his embrace, she knows her vow to never marry will soon be broken.But Dugalds true mission is not to marry the bonnie Scottish lass, but to uncover her as the traitor he believes she is. If playing the suitor will get him what he needs then hell pretend to be eager to wed this high-spirited beauty. But as his passion for Shona becomes stronger, this Highland Scoundrel soon realizes he must choose between loveand honor.KurzbeschreibungHighland Brides #5Determined to find a husband for his stubborn daughter, Shona MacGowans father has called to his castle Scotlands most eligible clansmen.
