of the books in the Velvet Series Von Chicago Since there seems to be a lot of confusion as to the order of this series, I will try to be helpful. The series is ordered in terms of the 4 Montgomery brothers' birth order: #1 Velvet Promise - Eldest Gavin Montgomery marries Judith but his ex-lover tries to steal him back. A bit grim for my taste. #2 Highland Velvet - Stephan Montgomery is given Scottish Bronwyn McArran for a wife. She hates him cos he's English ... but not for long! A couple of rolls into the heather - lots of fun. #3 Velvet Song - Raine Montgomery the gentlest of the brothers gets a new squire, a young lad whom Raine, to his horror, finds himself wanting to kiss. Its Alyx and they make beautiful music together. #4 Velvet Angel - Miles Montgomery is the dark brooding playboy of the lot, irresistible to all women except Elizabeth Chatworth, whose family has a feud with the Montgomeries (this happens throughout the series). She looks like an angel but behave like a hell cat. Hope this is helpful. Its a great series.

This, Highland Velvet, is the worst of all four in my opinion. It's not that I didn't like Jude Deveraux's way of writing... no, no. She is a great writer, an exceptional writer. She is one of my favorite historical romance write. It is Bronwyn who annoys me so. I am sure this is how JD really wanted this character to be. Some might find it quite intriguing but i just didn't see it that way. Bronwyn is simply just too much for me. She is selfish, VERY demanding and rough. Unfeminine for my taste. It is ok to be strong and courageous yet I believe she should have some degree left for her husbands pride, otherwise, he looks like a sissy. She humiliates him in front of his men and her clan as well. Yet, he continued to pursue her and continue to prove himself to her and her clan. Poor Stephen! He did everything he could to show his love, He did everything to gain her trust and love in return. He transformed from an Englishman warrior to a Scottish warrior just for her. He wore her colors yet she is not content. Even Stephen's brothers and Judith showed her respect and compassion yet she refuse to yield. She just hates Englishman! She have too much hate in her heart. Not appealing to me. The constant bickering and complaining isn't funny anymore. Stephen even changed his last name! I didn't like the idea of Stephen changing his whole personality and his opinion on almost everything just to pacify her. I believe she should have accepted him and love him just the way he does for her. Ok, perhaps some changes but not too the full extent. It was sad to see the Stephen, who was strong, smart and honorable man in Velvet Promise turned into a milktoast here in Highland Velvet. What happened to that guy? love! Tsk! Too much for me to take. sorry. I only have this book in my collection because it is part of the Velvet Series which is of course, one of my best series books.

Auch wenn die Bcher im Ansatz an Nora Roberts erinnern, so schafft Jude Deveraux es dennoch ihren Charakteren auf ihre ganz eigene Weise Leben einzuhauchen. Man hat sehr schnell das Gefhl in mitten der Szenerie zu stecken und kann - egal wie spt es ist und egal was am nchsten Tag ansteht, einfach nicht aufhren zu lesen - bis man wei wie sich die Knoten der Geschichten endlich lsen... Diese 4 Brder sind das, was man sich als Bruder, Mann oder Familie im allgemeinen wnscht... Viel Spass - bei langen Nchten

Kurzbeschreibung Jude Deveraux steps back to a time and place where revenge and rivalry rule men's hearts and love conquers all in this wonderful Montgomery novel. Bronwyn MacArran was a proud Scot. Stephen Montgomery was one of the hated English. He came to Scotland as a conqueror, saw her beauty and was vanquished. But still she would abhor him. She owned a temper hot enough to forge the armors of battle or inflame a valiant soldier's passion. Yet still she would resist him. She became his reason to live, his reason to love. And still she would deny him. But while clan fought clan, while brother took up sword against brother, and the highlands ran with blood their destiny was made... and this mighty warrior pledged himself to his woman's pride, her honor and her name and made of their love a torch to burn through the ages!
