It is such a great read....I treated myself with just a few pages after every workday.... just to enjoy it longer. I felt with Brian... the confusion... the denying of his feelings and I even flinched as Adriel... but I will not tell you more.... read it... read it fast.... I hope the next part will be ready to read soon...want to know if Brian will manage everything. Thank you Master Nicholas thank you for another great book0 von 0 Kunden fanden die folgende Rezension hilfreich. So freaking hot! Von Anne B. And Nicholas Bella did it again! This series is getting hotter and sexier with every single installment! I really can't get enough of Brian, Raphael and now Adriel! I don't expect anything by now within this great story but with raising the heat Level with each book I am a little afraid now what will happen next and with what Nicholas will surprise us next with!

Kurzbeschreibung "I've just discovered a few secrets about this new world I'm now a part of that both frightens and excites me." I just woke up from one hell of a night. My body was still tingling all over from the mind-blowing experience of what I went through. Unfortunately, I didn't have time to reflect on that... or even bask in it. I had to attend a demonic shindig and bring an innocent human along with me, most likely for a human sacrifice if what Agent Smith from the Society has told me is true. The problem I'm having is searching for a human to bring to the slaughter. A person who's done nothing wrong. They don't deserve to be put in the line of danger, nor do they deserve to die. How am I going to keep my cover, learn more about this demon cult I'm trying to infiltrate and keep innocent people from being hurt? God, I'm so far out of my league right now. I need help, but who? Warning: This serial contains strong adult content not meant for sensitive eyes. The novelettes in this serial will be filled with dark, twisted, raunchy and steamy scenes between powerful, sexy men that will either offend you or get ya revved up. This series will not be pulling any punches, and it won't apologize for hurting your feelings, either. You'll find no fluff and ruffles here. These demons play hard and they fight dirty. There are approximately 36600 words in this novelette. Kurzbeschreibung "I've just discovered a few secrets about this new world I'm now a part of that both frightens and excites me."
