Von Trevor H. Cooley : Hilt's Pride (The Bowl of Souls) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Hilt's Pride (The Bowl of Souls) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. perfect background info to BoSVon Georg Martin ErnyMr Cooley does what every author should do: He creates a thrilling world, providing the reader with absolutely unexpected turns of the plot, continuously expanding the tale, and, in this book, focussing on a character who, though likeable right from the beginning of the series, well deserves to be shown in greater detail. Besides, knowing more about Hilt will probably prepare the reader for his role in the concluding

volume. What I say here, applies to the whole series, so I won't repeat it for each book. Let me just state that I consider BoS one of the outstanding epics of recent years. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Nettes Buch, aber sehr kurz Von Yves Harms Inhaltlich hlt der Autor nahezu die Qualitt der anderen Bcher. Man sollte sich aber bewusst sein, das es eher ein Bchlein als ein Buch ist. Dafr ist die Print On Demand-Ausgabe berteuert. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Spannend und gut geschrieben Von Bolleck Ich habe es gerne gelesen. Cooley wird besser als in seinem ersten Buch und die Geschichte ist etwas erwachsener. Man muss natrlich eine sehr magie reiche Welt mgen.

Kurzbeschreibung Part 1.5 of the Moonrat Saga and a crucial part of the acclaimed Bowl of Souls Series, an action-filled fantasy series set in a world of magic, mystery, and monsters! Sir Hilt is forced to delay an urgent mission when he sees a lone woman climbing a dangerous mountain. When Hilt discovers that the Prophet was the one that told her to climb to the mountain's peak, he realizes that it is his duty to accompany her. What dangers lie in their way? What reasons did the prophet have for bringing them together? Will all their plans be derailed by Hilt's Pride? The events in Hilt's Pride take place just after Hilt leaves Justan at the Training School part way through Bowl of Souls: Book One. The action herein sets up crucial events in books four and five. However, this is a stand alone story and can be read apart from or along with the rest of the series. This story contains no spoilers to the rest of the series, but contains a lot of information that enhances the backgrounds of several characters including revealing previously untold information about Jhonate's past and the history of her people. Ogres and dragons, warriors and wizards are destined to clash, their fates guided by The Bowl of Souls. The Bowl of Souls series. THE MOONRAT SAGA 1. Eye of the Moonrat 2. Cooley has sold over 17,000 copies of his books through Kindle. He was born in South Carolina and has lived all around the United states, including Utah, New Mexico, Michigan and Tennessee. His love of reading started in the second grade with Lloyd Alexander's Chronicles of Prydain series. The characters and concepts that eventually became the Bowl of Souls series started in his teens. He wrote short stories, kept notebooks full of ideas, and generally dreamed about the world constantly. There were several attempts at starting a novel over the years. Not long after he was married, his wife told him to stop talking about the story and write it down. Many years and rewrites and submissions and rejection letters later, he finally put the books on .
