KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. ganz ok ...Von Inge Soula... aber nichts was man unbedingt gelesen haben muss. Ist ganz nett geschrieben und unterhaltsam, aber das war's dann auch schon.

KurzbeschreibungNote: Same story about Mark and Amber, but with a new cover and title.Recently divorced, Amber Nolan is definitely not looking for romance at this point in her life. Her twin daughters are her top priority. But when her best friend invites her to spend a week in the sun on the Caribbean island of Dulcina, Amber meets a special kind of man who makes her question her decision to never fall in love again. Mark Castel is charming, sexy, and looking for the woman of his dreams. He thinks that woman is Amber, and sets out to seduce her. Will Amber be able to fight the attraction between them, or will she give in and let Mark's love and devotion help heal the hurt in her heart?
