Angie und Ian passen sehr gut zusammen. Es ist genau das was sie braucht und andersherum genauso. Ich habe jede einzelne Seite verschlungen. Miss Cole schafft es in ihrer ganz eigenen Art eine tolle Welt mit Spannung und knisternder Erotik zu erzeugen.1 von 1 Kunden

His Angel is book 2 of the Trident Security Series. I greatly enjoyed reading book one, so I had great expectations for the second instalment in the series. His Angel is about Angelina Angie Beckett, who lives next door from the Trident crew. Ian, brother to Devon from book one in the series, feels immediately attracted to her and manages to get his hands on her after a while. He introduces Angie to the world of BDSM where she turns out to be a wonderful submissive. As in part one, the sex is hot. The scenes are well-described and fun to read and written with obvious knowledge of the world of BDSM. My main issue with the first book is still present in this book: too much detail. The descriptions are long and by far not needed everywhere. In the suspense sequences, the characters sometimes make choices that I doubt, things I deem illogical. I don't want to give any spoilers, but I raised my eyebrows at some of the actions. Some of the reactions are way too emotional for a trained Navy SEAL. Would I recommend this book to others? Yes, if you are interested in reading a BDSM-themed romance. The romance is well described and is very satisfactory. His Angel will definitely turn you on and I am curious to read more of the series. I was given an ARC copy by the author in exchange for an honest review.

The "Sexy Six-Pack" is back! The men of Trident Security are retired Navy SEALs, hardened warriors with hearts of gold. Angelina "Angie" Beckett has been waiting a long time for Mister Right. Unfortunately, all her boyfriends have turned out to be Mr. Wrong. None of them have been able to hold her interest for long and give her what she craves in a relationship. That is, until she meets her new neighbor's boss. Ian "Boss-man" Sawyer stopped believing in "soul-mates" after his fiance walked out the door ten years ago without a backwards glance. Now, he needs for a woman to spell out exactly what she wants from him. When he starts to fall for the woman he's protecting, he can't help but wonder when she'll realize that love is not enough for a lifetime of happiness.
