Von Terri L. Austin : His Every Need (Beauty and the Brit) before purchasing it in order to gage whether or not it would be worth my time, and all praised His Every Need (Beauty and the Brit):

Kundenrezensionen Hilfreichste Kundenrezensionen 2 von 2 Kunden fanden die folgende Rezension hilfreich. Hat mir gut gefallen. Spoiler Von Minelli Die Story hat mir bis auf ein zwei Kleinigkeiten gut gefallen und ich denke ich werde auch die Folgebnde ber die Schwestern lesen. Warum ich nur 4 Sterne gegeben habe ist, weil ich den Eindruck hatte, dass die Protagonistin am Ende sich auf ihren Typ ausruht. Ich meine Aschenputtel schn und gut, aber was man in

anderen Bchern von weiblichem Stolz liest fehlt hier vollkommen. Er bezahlt alles, sie kann wieder studieren. Das ist die Lsung. Den Epilog htte man weglassen knnen. 2 von 2 Kunden fanden die folgende Rezension hilfreich. A PERFECT SEXY CINDERELLA ROMANCE... Von Bianca @BJsBB Allie is 25 years old. She's working in a s****y Las Vegas Hotel and she's also the new mom for her two teenage sisters. Her Dad is not really up to the whole 'taking-care-of-the-daily-family-stuff' thing. And ever since her mom died of cancer, Allie tries to keep the family together. But now it seems that her Dad kind of got his company in trouble. He borrowed money from this rich Brit and the family is about to lose their home. The only thing Allie can think of to save her family home is to go and beg for more time to pay back the money. Trevor Blake lives in a huge mansion outside of Las Vegas and he doesn't really care about the problems of this lovely girl sitting in front of him. But he's also very attracted to her - and then suddenly, he doesn't really know how, she's offering herself in exchange for the debts of her father. He only jokingly flirted with her, but now he can't say no anymore. He doesn't do relationships, but to have a mistress living with him, who will do anything he asks... a guy can't say no to that. That's how Allie ends up living in Trevor's huge house, complete with butler and cook and chauffeur. But it seems Trevor doesn't want to start their physical relationship anytime soon. Trevor thought she was only bluffing when she accepted his proposition, he never thought she would really move in with him. And now that she's here he doesn't really know how to get her to leave again. Not that he really wants her to leave... Then there's Allie's sisters. The younger, shy one is still grieving their mother and now she also has to live with Allie moving out. The older sister is acting up big time. There were some scenes where I sooo wanted to slap that girl!!! but we know that she's only acting up because she hasn't gotten over her mom's death.... So Allie has lots of problems on her plate.... But she's also incredibly drawn to Trevor, but she thinks that he sees her only as nothing more than a sex toy.... And we also get a visit from Trevor's parents. Between them they were married more than 10 times and now it seems they're back together, and they want Trevor to be part of their family again. But Trevor can't forget the way they were never there for him as a little boy - they send him off to boarding school when he was only 8 years old. With all that's happening in both Allie Trevor's lives - they seem to really want and need each other... but it's not really that simple when a relationship starts the way theirs has.... We have lots of cute and romantic and sexy and erotic and funny and even moving scenes... I think I already started to cry a little bit in the first chapter WHAT WILL HAPPEN WITH ALLIE TREVOR??? WILL THE TWO OF THEM GET THEIR HEA??? OR WILL THERE BE A HORRIBLE CLIFFHANGER??? o.O AND WHAT THE EFF DOES URUGUAY HAVE TO DO WITH ANYTHING??? I'm not telling you that of course!! GO READ IT (OK - I will tell you that there's no cliffhanger But we'll get another book - this next book will/could probably be about Allie's sister and Trevor's Cousin!) _____ I LOVED THE BOOK!!! Give me rockstar, a Navy SEAL or a hot millionaire and I'm totally fangirling The book was soo cute and sexy and moving and funny... I laughed, I cried... But most of all I just ENJOYED the time I had with Trevor Allie and all the others.... I couldn't stop reading, I needed to know if or rather when they would finally find their HEA IT REALLY WAS THE PERFECT SEXY CINDERELLA ROMANCE!! THANK YOU TERRI!!!

Kurzbeschreibung "Austin's first Beauty and the Brit book takes an all-too-familiar trope and turns it into something remarkable... an engaging work on a number of levels and the sum total is a novel that is unique, erotic, and passionate." RT Book s, 4 stars, Top Pick! Allie Campbell will do anything to hold onto her family home including entering into an unusual arrangement with the brooding, wealthy Englishman that now holds the deed. Allie is determined to take care of her family, no matter the cost. But when her father loses their home to British tycoon Trevor Blake, Allie finds herself forced to plead for more time to pay off the loan... and if she has to use her own body as collateral, then so be it. Trevor isn't moved by Allie's story. But when Allie impulsively offers to do anything to keep the house, he's intrigued enough to raise the stakes: for the next two months, she must cater to his every need, no matter how depraved. To his amazement, she agrees. Allie has no intention of enjoying her time with the arrogant, domineering Brit, but it doesn't take long before he's got her aching for his touch and he'll do whatever it takes to make her beg...
