Von Nancy Kelley : His Good Opinion: A Mr. Darcy Novel (Brides of Pemberley Book 1) (English Edition)

before purchasing it in order to gage whether or not it would be worth my time, and all praised His Good Opinion: A Mr. Darcy Novel (Brides of Pemberley Book 1) (English Edition):

Diese ist noch mal anders, sie ist ernsthaft und zeigt die ganze Geschichte aus der mnnlichen Sicht. Mir hat es sehr gefallen, denn es gibt ja Einsicht in mnnliche Gefhlswelt und die gesellschaftlichen Verpflichtungen und Zwnges dieser Zeit, der auch die Herren der Schpfung unterworfen waren.Sehr ansant zu lesen1 von 1 Kunden fanden die folgende Rezension hilfreich. The best of the seriesVon CustomerThis book was really good. It gives

interesting insights into Darcy's perspective - for example when he decides to propose at Hunsford because he thinks that Elizabeth had given him some kind of encouragement to do so. The language is worth reading, too - maybe because it naturally uses phrases from PP. The other books in this series are weaker in that perspective.

Kurzbeschreibung Mr. Darcy Speaks from the Heart: Pride and Prejudice from his Point of View
Though tired of Society's manipulations, Darcy never thought to be enchanted by a country maiden. Yet on a visit to rural Hertfordshire, Elizabeth Bennet captivates him. Lovely and vivacious, she is everything he is not, and everything he longs to have. Unfortunately, her connections put her decidedly beneath him, and the improprieties he observes in her family do not win his favor. Putting her firmly out of his mind, Darcy returns to London, but Elizabeth is not so easily forgotten. When chance throws them together, Darcy can no longer deny his love, but Elizabeth, put off by his manners, refuses him. To change her mind, he must set aside his proud ways and learn how to please a woman worthy of being pleased. It takes a serious incident for his true character to shine, and for Elizabeth to learn just how valuable is His Good Opinion. Includes an excerpt of Caroline Bingley by Jennifer Becton.

ber den Autor und weitere Mitwirkende Nancy Kelley is a Janeite, an Austenesque author, and a blogger. During the writing of His Good Opinion, a version of Mr. Darcy took up residence in her brain; she fondly refers to him as the Darcy in My Head, or DIMH. If Nancy could possess any fictional device, it would be a Time-Turner. Then perhaps she could juggle a full-time library job, writing, and blogging; and still find time for sleep and a life. Until then, she lives on high doses of tea, of which DIMH approves. You can find Nancy on Twitter @Nancy_Kelley, on her blog, and on IndieJane.org.
