Bcher die mich zum Schmunzeln und Lachen bringen mag ich!Von missmorelliNein, es ist keine hohe Dichterkunst, nein das Rad wurde auch nicht neu erfunden. Aber das Buch ist teilweise so abstrus und erfrischend ich musste immer wieder lachen und die beiden Hauptprotagonisten sind sehr sympatisch. Sowas lese ich gerne und kann es auch gut

KurzbeschreibungAs far as Nina Beaumont is concerned, money ruins everything. Leave it to her wealthy family to screw up her professional life and her personal life. When she crashes and her car sinks, sending her identification and all her belongings spiraling into the watery abyss, Nina sees her chance to escape. And stumbles into a job with the hottest man she's ever met...as his maid.Between running an inn, caring for his grandmother, and trying to keep the dirty-dealing Beaumont Corporation from stealing his land, Joe Farina's plate is full. He doesn't have time for romantic entanglements-especially not with the suspiciously bad maid he just hired, no matter how much he needs her...both in and out of his bed.Screwing with her life is one thing, but Nina's not about to let her family screw with Joe. That is, if she doesn't lose him when he finds out who she really is.KurzbeschreibungAs far as Nina Beaumont is concerned, money ruins everything.
