**Von Ruth Ann Nordin : His Redeeming Bride (Nebraska Historical Romances Book 8) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised His Redeeming Bride (Nebraska Historical Romances Book 8) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. New hopeVon LaylaReaderThis story follows Eye of the Beholder - the two stories do stand alone, but it is more interesting to read about Neil here when you know about his past.Neil is a changed man, but most people still see him as the selfish man he used to be. The story gets off to a dramatic start when Sarah is forced to accept the hospitality of a man she believes to be a monster. As her troubles mount and she receives cold responses elsewhere, she comes to recognise that Neil is very different from his reputation in town. He is devoted to his daughter Emily and shows her and her baby

nothing but kindness. The romance between them is slow and based on friendship initially. Their growing bond is very warm and realistic. They face several obstacles - from people interfering in her life and others in his and Emily's. I enjoyed this book, but not quite as much as the previous *Eye of the Beholder*. I felt that the ending scene in town was slightly farcical and unrealistic, but all's well that ends well. This book introduces us to Eliza, whose story is told in *Loving Eliza* - another very enjoyable book by Ruth Ann Nordin

Kurzbeschreibung Seven years after *Eye of the Beholder* ends, Neil Craftsman's story begins. When Sarah Donner learns she's pregnant, she hopes this blessing will be the thing to make her husband finally love her. But to her horror, he announces that she will go live with her overbearing mother-in-law. Weeks before she is due to give birth, they are traveling to her mother-in-law's when some thieves kill him. Ready to give birth, she has to rely on the aid of the one man others had warned her about: Neil Craftsman. She knows of his tarnished past, and no respectable woman will go near him. But when she learns her husband left her with no home and no money, she has nowhere else to go but to the one man she's shunned. As she gets to know Neil, she learns that there is more to him than meets the eye. But when his past comes back to haunt him, will her newfound love be enough to redeem him - or will he always be a shunned man?
