Hot bad boy biker rockstar aka sexy billionaire businessman = the perfect erotic Romance!Von Bianca @BJsBBWe all remember Melanie from the first book - His To Possess - and how she was so unhappily in love with her sexy boss Rafe.And now that she's not working for him anymore, she thinks she can finally move on. But then they meet again and it turns out that he's not only this sexy billionaire businessman, nope - he's also the smoking hot guitar player in a

famous rock band - tattoos, Harley and all!!! Rafe can now admit to himself that he was always attracted to her, but he didn't want to start something while she was still working for him. That would've made it a bit uncomfortable at work once he broke it off. Because that's what he does. He doesn't have time for anything serious. But he can't get Melanie out of his head. And now she's going on tour with his band?????Well, if he can't stay away from her - or she from him - they have to make the best of the situation And they do - but Melanie doesn't want to get her hopes up - Rafe, or Storm as he's called when he's with the band, wants nothing serious!WHAT WILL HAPPEN TO MELANIE RAFA???WILL THE TWO OF THEM GET THEIR HEA???WILL THERE BE A HORRIBLE CLIFFHANGER???NOPE . . . I'M NOT TELLING YOU I don't want to spoil anything!!!(OK, there's no cliffhanger, of course - but that's all I'm telling you!)_____ I REALLY LOVED THE BOOK!!!You HAVE to love a book that not only has a sexy bad boy rock star, but also a sexy billionaire businessman. And here we have those two things in ONE SINGLE GUY!!!*fangirl-swoon*The only thing that could top this for me would be if Rafe was also a former Navy SEAL ;)))I really enjoyed this book!I was looking forward to reading Melanie Rafe's story. I was so sad for her in the first book - she was soo unhappily in love with Rafe and he was in love with her friend Jessica :(But now Jessica is getting married to Rafe's brother and Melanie finally gets her chance!It was really adorable to see how they finally got together - it takes them a while - it takes Rafe a while to get over his problems....but it's sooo worth it - and it was realllly hot too!!!!Phew! Very very sexy!HiS TO CLAiM:Hot bad boy biker rockstar aka sexy billionaire businessman = the perfect erotic Romance!
