**Von Katee Robert : His to Take (Out of Uniform)** before purchasing it in order to gage whether or not it would be worth my time, and all praised His to Take (Out of Uniform):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. 4 sexy "Truth or Dare" stars!Von CassandraThat was another sexy and funny and also thoughtful book from Katee Robert!After a life-shaking injury Warren comes back home with a plan on how to continue with his life.Totally opposite to what Erin is just going through. And it leaves her in a situation where she would rather like to hide than

run into the one guy that gets in her panties whenever they met. But what does one night of another round of truth and dare matter now anyway, right? Just one night and then things are going like usual. What Erin hasn't considered is that Warren's future plans include her and he's very persistent to go after what he wants. Next to the very hot stuff happening between them (and Katee Robert knows how to get you all hot and horny with it), it also makes you think about starting over and second chances and what ifs.

Kurzbeschreibung A sexy category romance novella from Entangled's Brazen imprint... Truth or dare... Erin Robinson is having an epically bad year. Her blossoming career on Broadway tanked, forcing her to crawl back to home to Wellington. The icing on her failure cake? Her former on-again, off-again fling is in town, and the sexy Marine is taking up way too much space. Warren Davis always knew Erin was special, which is exactly why he can't have her. A girl like her deserves something permanent something neither of them wants. But now that they're both back in town and she's right there in front of him, a challenge in her eyes he's never been able to resist, he's questioning everything. That challenge quickly escalates into an epic game of Truth or Dare. Erin's sure she's got him on lock, but as the night progresses, Warren's dares intensify, drowning her in lust. But with the past still breathing down their necks, there's no way either of them can win.
