**Von Susan Crosby : His Ultimate Temptation (Mills Boon Vintage Desire)** before purchasing it in order to gage whether or not it would be worth my time, and all praised His Ultimate Temptation (Mills Boon Vintage Desire):

Passionate and Very MovingVon Just TerriThis whole 'Lone Wolves' series has had me sucked in since the very first book. Susan Crosby certainly knows how to write about things from the heart. I really felt for this group of characters to the point of tears at times. It was almost like they were real people with real problems. All of the 'Lone Wolves', Chase, Gabriel, Ben, Leslie and even Sebastian, are a group of people that know what real friendship is about. But, I can't help but wonder. Will she follow up with a story for Sebastian? It seems a bit empty without him being able to clear his name and finding a love of his own. But as for 'His Most Scandalous Secret', 'His Seductive Revenge', and 'His Ultimate Temptation', Susan Crosby has created a story that will move you. Keep up the good work, Susan.0 von

Kurzbeschreibung LONE WOLVES BEN a.k.a. THE PROTECTOR He'd only loved one woman in his life, but his fierce overprotectiveness hadn't meshed well with her strong independent streak. So they'd parted, as "just" friends. And now their life together was but a distant memory. Or was it? On Christmas Eve, Ben and Leslie O'Keefe were stranded in a secluded mountain cabin with their willful daughter, who more than noticed their lightning attraction. Then they all began to hope for the impossible. Powerfully drawn to the fragile, haunted look in his beloved's eyes, this lone wolf's primitive desire to protect - and to succumb to his ultimate temptation - became nearly impossible to resist. THE LONE WOLVES: Meet the sexiest, most stubborn males a woman could ever hope to tame!
