read in the beginning that picks up speed. Von Ein Kunde This book didn't capture my interest as fast as the author's other books. The first 150 or so seemed to go by slowly, but once the characters arrive at his castle, that's when the action begins. The setting is filled with suspicion and betrayal, because the two main characters' families have been feuding for about one hundred years, yet no one knows why. I like the way the author created the bond between Meredith and Cameron's sister-in-law, and also with the other women in the castle. I also like the way she developed the love and trust between the two main characters. I look forward to reading more books from her in the future. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Another great story from Samantha James Von Davis0056 I'm sorry the other readers didn't enjoy the story as much as I did. Because of their reviews I had to write my own. This is not a deep literary writing, but it's a great romance. A vengeful Cameron MacKay kidnaps Meredith Muro, thinking her father killed his father and all of his brothers. His plan is simple, give Munro the impression his daughter committed suicide while living at a nunnery (what a thought!). His plan backfires of course when he falls in love with Meredith. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Makes A Heart Happy Von piper His Wicked Ways was the first romance novel I ever read. I had sworn I never would read one. But boredom forced me to and I was completely overjoyed at how wonderful and not-trashy it was. I would recommend this book to any one who loves stories of love that nothing can kill. The characters were enemies of the worst kind but nonetheless were meant to be. They overcame years of feuding and hatred to find the love of a lifetime. Don't pass this book up!

Kurzbeschreibung From across the Scottish Highlands strides Cameron McKay, the last member of the once powerful Clan MacKay. Handsome, fearless, and determined, he is a man who catches the eye of many a woman.. yet he has but one goal--to find Meredith, last daughter of the Clan Munro..and force her to provide him with an heir. When Cameron MacKay kidnaps Meredith from the gentle confines of the priory where she has sought refuge, he discovers that he is powerless to resist her tender beauty and is captivated by her bold bargaining for her freedom. And although she is the precious daughter of his sworn enemy, Cameron finds himself tempted to abandon his quest to bend her to his will. Meredith had vowed long ago never to trust any man..for men and their ways cause pain to those they love. Her head told her not to give in to the dangerous desire she felt for Cameron; but her heart hoped that he had finally abandoned his wicked ways....deSetting: Scottish Highlands, early 1200s Sensuality Rating: 7 Shortly before she is to take her nun's vows, Meredith Munro is kidnapped from the Connyridge Priory by a man who seems to hate her as much as he is determined to take her. Cameron MacKay, the last of a once powerful clan, burns with the need for revenge against the Clan Munro, whom he blames for the murder of his father and six brothers. As the beloved daughter of Red Angus Munro, Meredith is the perfect tool. Who better to provide the MacKays with an heir and a chance for their clan's survival but the only child of his worst enemy? But Cameron is surprised by the resistance he encounters in this one small woman, and reluctantly recognizes her incandescent beauty and plucky courage. The captor is soon captivated by his lovely prisoner. And together, Cameron and Meredith heal the wounds of memories too long suffered alone and reunite two clans wrapped in a blood feud for centuries. --Alison Trinkle.comSetting: Scottish Highlands, early 1200s Sensuality Rating: 7 Shortly before she is to take her nun's vows, Meredith Munro is kidnapped from the Connyridge Priory by a man who seems to hate her as much as he is determined to take her.
