Fantastic, unique erotica novel! Von Vanessa Hoffmann I highly enjoyed reading "His Wish". It's sexy, steamy and beautifully written. J. R. Psmith brings in more than just sexy time. "His Wish" is romantic, thrilling and lets you experience what it's like to be in his/her shoes. This will be your favorite erotica. It certainly is my favorite 5 Stars

KurzbeschreibungA frustrated man wishes that his wife would enjoy making love to him, his wish is granted, but not in the way he expects. He and his wife both switch genders and they learn a little about each other's point of view.Focused on the experience of being female and experiencing sex from a woman's point of view. Explicit, detailed male to female transformation sequence.KurzbeschreibungA frustrated man wishes that his wife would enjoy making love to him, his wish is granted, but not in the way he expects.
