Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Amazing! Von Chloe Eine meiner liebblingsserien. Hab die Bcher bestimmt schon 3 mal gelesen. Ich liebe die

Geschichte von Anna der "Attentäterin" und dem Cop. Die Bücher haben alles was eine gute Geschichte braucht: Super Charaktere, Witz, Liebe, Sex und Spannung! Wirklich eine der besten Geschichten ever! Die Serie besteht aus 3,5 Teilen. Der letzte Teil erscheint im Juni und ich kann es nicht erwarten! Auf jeden Fall gebe ich für die Serie und alle anderen Bücher von der Autorin eine Lesempfehlung! Lieblingsautorin!!

Kurzbeschreibung RE-EDITED VERSION JUNE 2014
Im standing here, on top of the building and I need to remind myself to breathe. Its not like I havent done this 146 times before. Its not like Im not the best in the business. I am the best at this because as sick as it sounds, I want to be here. I love doing what I do. I can tell you that Ive been in this line of work for the last thirteen years. I didnt quite fall into it, I actually sought it out. I am undoubtedly the best in the industry. Im respected amongst all the big players. I am the biggest player of them all. If a rookie tried to come along and show me up as an example of their capabilities, it didnt take long for me to work out what they were about. Theres no hesitation. No second thoughts. No doubts. No emotions. No feelings. ~ Anna Brookes
Anna Brookes is the most dangerous woman that you hope you will never know. Her life of danger started the day she turned 15. The thirteen years that follow shapes her life to become the most deadly and lethal woman. HiT 149 becomes her most difficult target. Does she pull the trigger or does she risk becoming the target herself?
