Interessant!Von LPWTHYOUAls groer Hitman Fan habe ich mir das Buch rechtzeitig gekauft und durchgelesen,
bevor das Spiel heraus kam.Es ist sehr interessant, weil es die Vorgeschichte zum Spiel erzht und man besser versteht
in welcher Situation das Spiel startet.Auerdem gibt es mal ungewohnt tiefe Einblicke in den Kopf von 47! Teilweise

sind ganze Kapitel gefüllt mit den Gedanken, die sich der Original Assassin macht. Dies wirkt auf den ersten Blick befremdlich, da man ihn eigentlich nur als mehr oder weniger stummen Killer kennt. Es ist aber auch passend umgesetzt, da seine Gedanken zu seiner Art passen. Insgesamt ein sehr interessantes Buch für Fans der Reihe, welche auch bereit sind das Buch in Englisch zu lesen. Es ist sicher kein Muss, aber eine nette Ergänzung zum Spiel! Natürlich funktioniert es auch alleinstehend, wenn man das Spiel nicht spielt.

Kurzbeschreibung Agent 47 might be the best assassin the Agency has ever had, but he'll need all of his skill, cunning, and ruthlessness if he is to survive his toughest assignment yet. Since the devastating conclusion of Hitman: Blood Money, Agent 47 has been MIA. Now fans awaiting the return of the blockbuster video-game and film phenomenon can pinpoint the location of the world's most brutal and effective killer-for-hire before he re-emerges in Hitman: Absolution. When the Agency lures him back with a mission that will require every last ounce of his stealth, strength, and undercover tactics, they grossly underestimate the silent assassin's own agenda. Because this time, Agent 47 isn't just going to bite the hand that feeds him ... he's going to tear it off and annihilate anyone who stands in his way.
