KlassikerVon SchwimmyAuch wenn die Schreibweise bei diesem Buch etwas anders ist, vermutlich weil es so alt ist,

hat es seinen ganz eigenen Scharm. Selten hat mich ein Buch so gefesselt. Geheimnisse die immer nur ein wenig gelftet werden. Nur nicht zu viel verraten. Keinen trauen. Sabotage unter dem Packeis. Erst will keiner das du hinkommst, dann will keiner das du heimkommst. Spannend bis zur letzten Seite!! Alle Sterne die es gibt!! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Brilliant Von Peter Wildbolz The story of men who rose to heroism, and then to something greater, HMS ULYSSES takes its place alongside THE CAINE MUTINY and THE CRUEL SEA as one of the classic novels of the navy at war. It is the compelling tale of Convoy FR77 to Murmansk - a voyage that pushes men to the limits of human endurance, crippled by enemy attack and the bitter cold of the Arctic. A brilliant, overwhelming piece of descriptive writing. 0 von 0 Kunden fanden die folgende Rezension hilfreich. HMS Ulysses Von Colin McDougall A very good read but I cannot agree with the critic who claims this book is as good as "The Cruel Sea". No way. "The Cruel Sea" is not a novel. It is about life. And no novel will ever be as good as true life. The only WW II book (imho) as good as "The Cruel Sea" is Lothar-Gnter Buchheim's "Das Boot".

Kurzbeschreibung The novel that launched the astonishing career of one of the 20th century's greatest writers of action and suspense an acclaimed classic of heroism and the sea in World War II. Now reissued in a new cover style. The story of men who rose to heroism, and then to something greater, HMS Ulysses takes its place alongside The Caine Mutiny and The Cruel Sea as one of the classic novels of the navy at war. It is the compelling story of Convoy FR77 to Murmansk a voyage that pushes men to the limits of human endurance, crippled by enemy attack and the bitter cold of the Arctic.
