...beautiful moving sexy! Loved it!Von Bianca @BJSBBEffie and Heath have been kidnapped as teenagers, they had to spend 3 years in the captivity of a weird guy who made them call him Daddy.They didn't know each other, but they fell in love in that dark and lonely and dangerous place.Now, 15 years later, they both haven't really gotten over what

happened. Or at least they haven't learned to deal with everything properly. Heath only knows one thing: he wants to spend the rest of his life with the woman he loves....Effie. But Effie thinks it can't be healthy for body and mind to be this fixated on one person - a person that you went through so many horrible things with. That's why she has date after date trying to fall in love with somebody else. But it's always been just Heath.... The story is told from Effie's POV and jumps back in time a lot. We read about their time in captivity, the time when they just got back home, the present, et cetera. The reader wants them to have their HEA with each other....but ....WHAT WILL HAPPEN TO EFFIE HEATH???. WILL THERE BE A CHANCE FOR A HEA???. OR ARE THEY TOO BROKEN TO HAVE A HAPPY LIFE TOGETHER? WILL THERE BE A CLIFFHANGER???. NOPE . . . I'm not telling you

I REALLY LOVED THIS BOOK! With every new Megan Hart book you know that you're about to read something extraordinary. Something different from all the other romances out there. Megan comes up with stories and characters, other people couldn't even imagine to create. I love that! This book was full of sooo much feelings: love, fear, hope....LOTS of sex too. The only way Effie seems to be able to be with Heath is in bed - or wherever ;) I loved to read their story - you have no idea how it's going to end. You hope that they end up happily together, but the hows and whys and ifs .... you just have no idea! HOLD ME CLOSE was such an amazingly moving and sexy and darkish Romance. About two broken people who desperately want to finally get to their Happy Ever After. You will so enjoy watching them fight for it!

Kurzbeschreibung Apart, they are broken, but together, they are whole Effie and Heath are famous. Not for anything they did, but for what happened to them as teenagers. Abducted and abused by the same man, they turned to each other for comfort until they were finally able to make their escape. Now adults, their relationship is fraught with guilt and despair. Whether fighting or making love, their passion is strong enough to destroy them both and Effie's not about to let that happen. She knows it's time for her to have a "normal" relationship, and Heath is nothing but a constant reminder of the dark past they share. Heath, on the other hand, knows Effie is the only woman he can ever love. She may want to forget what happened, but he's convinced that they must face their past together in order to move forward. So while Effie continues to bring new men into her life, Heath becomes obsessed with proving he's the one she needs. Then a new crisis arises and Effie begins to lose every scrap of self-control she ever had. As she struggles against her desire to return to the one man who understands her, she discovers that sometimes the only safety you find is with the person who is the most dangerous for you. Pressestimmen "An achingly erotic read." -RT Books on Flying "Hart excels at creating female leads who know exactly what they want and don't make excuses for their lifestyle. Following this heroine's journey is exciting." -RT Books on Vanilla Kurzbeschreibung Apart, they are broken, but together, they are whole Effie and Heath are famous.
