Von Stephanie Tyler : Hold On Tight (Hold Trilogy) before purchasing it in order to gage whether or not it would be worth my time, and all praised Hold On Tight (Hold Trilogy):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich.

Deutliche Verbesserung!! Von Book Lover Dies ist der dritte und letzte Teil der Hold Trilogie, in der es um Chris Waldron, den einzigen biologischen Sohn von Kenny und Maggie geht. Dies ist jedoch nur insofern von Wichtigkeit, als dass er von seinen Eltern eine leicht "spiritistische Ader" geerbt hat. Wie seine beiden Brüder dient er in der gleichen Spezialeinheit des amerikanischen Militärs. Jamie, die weibliche Hauptperson, ist ebenfalls aus dem Vorband bekannt. Die beiden "begegneten" sich auf dem Weg nach Afrika. Chris um seinen Bruder bei einem "Projekt" zu unterstützen, Jamie um nach ihrer verschollenen Schwester zu suchen. Der Beginn dieses Buches ist ausgesprochen rasant. Die letzte Mission von Chris Einheit war ein furchtbarer Misserfolg: Einer der wichtigsten Bezugspersonen der Brüder sowie der gesamten Einheit hat sein Leben verloren. Und als würde dies Chris und seine Mannschaft nicht schon genug belasten, wird vom FBI eine Untersuchung gegen ihn eingeleitet, weil ein Beamter der Behörde während dieser Mission tödlich verletzt wurde und alle Indizien Chris belasten. So treffen sich die beiden Hauptpersonen in diesem Buch wieder, denn Jamie ist die leitende Sachbearbeiterin in der Untersuchung. Als Bonusmaterial wurde der Auftakt der Liebesgeschichte zwischen Saint, einem Kameraden der drei Brüder und PJ, der Schwester von Jamie beschrieben. Rascher, interessanter und fesselnder Einstieg ins Buch. Flüssig und gut geschrieben. Action geladen, gewagte erotische Beschreibungen. Obwohl die Liebesgeschichte zwischen Chris und Jamie das Hauptthema des Buches war, hinkte die Affäre zwischen Saint und PJ in praktisch nichts nach. Teilweise fand ich die Entwicklungen zwischen den beiden fast interessanter als das lang andauernde Hin und Her zwischen Chris und Jamie. Beide Stränge des Buches waren jedoch sehr gut und sensibel beschrieben. Allgemein fand ich diesen letzten Teil der Serie besonders gelungen und das Ende des Buches, bei dem die Leserin nochmals alle Haupt- und wichtigen Nebenpersonen der Trilogie trifft, sehr emotional. Bravo! 1 von 1 Kunden fanden die folgende Rezension hilfreich.

Third in series Von Helen Hancox Stephanie Tyler seems to write these books at a fair rate - I already have the next two in the series to read, and it feels as if I read the first two only a few months ago. However each story is a decent length and has a credible plot, although they are fairly closely interwoven so that someone who starts reading with this book might find it a bit tricky to pick up what's going on. In fact that's my main gripe with the second and third books in this series - they feel like they start halfway through the actual story of hero and heroine as they have already met and had a relationship in a previous book. Our hero in this book is Chris Waldron, the slightly psychic 'brother' who is also a sniper in the US Navy SEALs. In the last book he met Jamie Michaels, FBI special agent, and they had a brief but hot fling. This story attempts to draw out that relationship into something more significant as Jamie has to investigate Chris following a mission where Chris's fellow operative was killed. At the same time, elements from Jamie's past may be coming back to haunt her, and she may have to learn to trust despite the dangers inherent in this. There's a subplot in this story which is the romance between Jamie's sister PJ and Chris's boss Saint. I actually found this the more interesting and involving romance as both characters were unusual and yet felt right together. The attraction between Jamie and Chris was less easy to believe in. However the underlying plot, that of the danger threatening Jamie, worked rather better than the previous books' forays into Africa. This author isn't particularly strong on characterisation but she keeps the plot moving reasonably quickly and there's a wide enough range of characters for more interest. Originally published for Curled Up With A Good Book Helen Hancox 2011

Kurzbeschreibung HES A NAVY SEAL SUSPECTED OF MURDER. SHE'S HIS LOVER AND THE CHIEF INVESTIGATOR. Chris Waldron, an elite U.S. Navy SEAL, is used to getting out of tight spots. But all his years of training can't prepare him for the crisis he now faces. When a mission to rescue a kidnapped ambassador and his wife goes tragically awry, an FBI hostage negotiator is killed and Chris finds himself at the center of the ensuing investigation. Leading the charge is Jamie Michaels, a blistering-hot special agent and Chris's onetime lover. Despite their reignited mutual attraction, Jamie is determined to keep things professional with Chris this time. But seeing him bruised and battered in that hospital bed has rekindled all those feelings she thought she left behind during their brief, passionate encounter in Africa. Now Jamie must keep at bay her craving for danger as she spearheads a search for the truth that just may blow Chris's career to bits and put them both in the crosshairs of an unseen enemy. From the Paperback edition.
