Holding OnVon Al-Khemet Book ClubThis was my very first book from this author Rachael Brownell and it moved my heart.If you have ever loved someone who didnt know you existed, or loved a friend, you are reminded of those sweet and passionate days of longing and unrequited love in this beautiful spin of a novel, this breathtaking love triangle of

hard and fast decision, this tale of either letting go of the past and move on and grow with someone new, or holding on, giving the heart what it always wanted. Romantic suspense seems to be Rachael true forte as she serves up this delicious tale of pure excitement, passion and allure. Becca has pined for best friend Brad for years and unknowing to her, he loved her too, but both are young at heart, inexperienced, unprepared and unable to utter the simple words that could change their lives forever. Then the story takes a heartbreaking turn when Becca moves away, she later meets Ethan, the hot guy with a secret but whom sweeps her off her feet. When Brad finally comes around this young girls heart is torn in two and she must make one of the biggest decisions of her life that will mean happiness or not. The themes in this book is timeless, its satisfying, heart-warming and a lot of fun. I am very impressed with this author and I do expect to check out her other stuff as I am hooked.

Kurzbeschreibung For five years Becca has been struggling to hide her feelings for her best friend, Brad. Now she finally has a chance to move on. Shes in a new city, shes attending a new school, and shes met the first guy besides Brad whos held her attention in a long time. Not only is Ethan attractive, hes an amazing tennis player, and he might just be Beccas match on and off the courts. Brad has loved Becca for as long as he can remember. Now that Beccas family has moved two thousand miles away, Brad may finally be ready to lay his heart on the line and do whatever it takes to hold on to Becca. But is Brad too late? Or will Ethans secret drive Becca back into Brads arms? Torn between her love for Brad and the promise of something new and exciting with Ethan, Becca has an almost impossible choice to make, the choice between letting go or holding on.
