Taschentcher Alarm!!!Von daxie1968Gerade als ich echt dachte, ich muss mir ein anderes Genre suchen, weil ich nur noch richtig schlechte MC Romances in die Finger bekam, da fiel mir dieses geniale Buch in die Hnde.Vornweg das Wichtigste: Frau Bextor kann schreiben! Das ist ja heute leider keine Selbstverstndlichkeit mehr...Es gibt wirklich eine

Geschichte die erzählt wird und es ist lange her, dass ich bei einem Buch geweint, gelacht und stellenweise wirklich die Luft angehalten habe. Die Story dreht sich um vier Personen, zwei Männer und zwei Frauen deren Leben seit Kindheitstagen miteinander verwoben ist und es geht um Freundschaft, Liebe, Verrat und Verlust. Es gibt natürlich, ist ja immerhin ein MC Romance, einige heiße Szenen und die sind zur Abwechslung auch mal wirklich erotisch geschrieben. Wobei, wer noch keine MC Romances gelesen hat sei gewarnt die männlichen Hauptprotagonisten legen teilweise schon das typische Verhalten an den Tag und das hat mit einem modernen, aufgeschlossenen und gleichberechtigtem Frauenbild nichts aber auch garnichts zu tun. Ich habe einen kleinen Kritikpunkt, mir war es gegen Ende zu viel Drama. Die Hauptstory war so dramatisch, da hätte es keine Nebenschauplätze gebraucht. Hem, Shame, Mace und Sadey - Wer sie kennengelernt hat wird sie so schnell nicht wieder vergessen! Es gibt übrigens grundsätzlich ein HEA. Mehr sei nicht gesagt, weil Spoiler.

Kurzbeschreibung How does a person decide if their own life is worth sacrificing to save another? Shame holds onto a past that haunts him. Damaged by the parents that should have taught him unconditional love; they imprisoned him with violence and disregard. Even now, Shame struggles to find both the independence and love he deserves. Knowing the blood that runs through him is stained merely by reputation, Hem seeks acceptance while he searches for ways to redeem himself in the eyes of those that have judged him his entire life. Together the two have committed themselves to one purpose; protecting those they love the most. Mace Cash is Hems younger sister. Although they share the same mother, Maces father despises Hem and his position within the family. Sadey Lyons has loved Hem all of her life. Swearing to save herself for him, shes determined to wait for him for as long as it takes; wanting only for him to see her as the woman she has become and not the little girl hes always cherished. When Hem and Shame meet Doc, the President of Lights of Peril Motorcycle Club, their lives take a dramatic turn. Finally escaping from a past that has controlled them, they find themselves living free. But neither of them have known peace for long... This is their story of love, loyalty, and heartbreak. This book is one of two and does not contain an exact HEA as the reader may expect, yet. Now available in the Lights of Peril series: Book Two: The Way Home Book Three: Toxic Authors Note: This novel contains material that is not suitable for individuals under the age of 18. Content includes: drug use, explicit language, violence, rape, and other scenarios with content that readers may find offensive. Please use caution when deciding on this book, as every reader has the right to understand the product before purchase.
