Kurzbeschreibung Author's note: HOLDING YOU is book 1 out of 2 (not a standalone). It contains explicit language and sexual content. Deep breath I am peaceful, I am strong. Free-spirited Addy Brecken is Milwaukee's most talented vegan chef and co-owner of Sage Leaf Caf. She has a genius IQ, a padded savings account, an amazing view of Lake Michigan, and a heart that won't stop beating. Deep breath I am peaceful, I am strong. An early April morning finds her drowning in the seductive fragrance of lilacs and the warmth of the morning sun when she's nearly hit by a car in front of her caf. The peaceful existence she's desperately tried to maintain after the horrific loss of her family is suddenly shaken by the Range Rover driving, arrogant, sex-on-legs Quinn Cohen. Deep breath I am peaceful, I am strong. A successful, Latino businessman from New York, Quinn has a taste for the finer things in life. A typical playboy, he has the money, the houses, the cars, and the women. Quinn is everything Addy avoids. Where she lives simply and prefers to help the less fortunate, he has no problem spending an obscene amount of money on a briefcase. Their opposite personalities lead to several heated encounters, and Addy finds herself propositioning Quinn for the one thing she never imagined needing sex. Offering only her body, Addy tries to keep Quinn at a safe distance from her heart and a world away from her past. Their passion-filled connection makes Addy feel something unfamiliar, alive. But with passion comes more feelings: anger, jealousy, love. When Addy surrenders to the unimaginable and lets go of her past, she's faced with the impossible holding on to her future. With 10 years of flossing lectures under her belt, she took early retirement from her dental hygiene career to stay home with her three awesome boys and manage the family business. After her best friend of nearly 30 years suggested a few books from the Contemporary Romance genre, Jewel was hooked. Devouring two and three books a week but still craving more, she decided to practice sustainable reading, AKA writing. When she's not donning her cape and saving the planet one tree at a time, she enjoys yoga with friends, good food with family, rock climbing with her kids, watching How I Met Your Mother reruns, and of course heart-wrenching, tear-jerking, panty-scorching novels.
