Von J. D. Robb : Holiday in Death (In Death, Book 7) before purchasing it in order to gage whether or not it would be worth my time, and all praised Holiday in Death (In Death, Book 7):

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. Dallas Roarke Do ChristmasVon Nancy BartelsI've been a big fan of this series ever since the first one, Naked in Death--and

ordinarily I don't like romance novels. These intrigue me. I was a little worried after *Vengeance in Death* that Robb had lost her steam. (I'm sorry, I just can't buy that Whitney and the police chief buy Eve's story about the serial killer that covers up Roarke's true involvement in the earlier deaths.) But that may be a minor quibble. She's back at the top of her form here. A good story with a nice twist. And I was glad to see Charles Monroe again. Maybe w/ a little competition, McNabb will get off the dime about Peabody. Only down side -- nearly a whole year before the next one.

Bummer! Note to the author: At some point, Eve and Roarke have to end the honeymoon. It would be nice to have them have some serious difference of opinion and then work it out. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Engaging, Romantic and Captivating! Von ehn@gte.net I have never been a fan of murder mysteries or "heaving breasts" etc. romance novels. However, this series of books was recommended to me, and I have read each and every one through *Holiday In Death* with a mixture of excitement and regret. Excitement over what intrigue Lt. Eve Dallas and Roarke will get into next, and regret that the story has to come to an end. As always, Eve continues to be haunted by events in the past, while dealing with the harsh realities in the present. The development in Eve and Roarke's relationship has been delicious to see. J.D. Robb manages to create a connection between the reader and the main characters that keeps you wanting more! I anxiously await their next adventure. Write faster J.D. Robb! 0 von 0 Kunden fanden die folgende Rezension hilfreich. J.D. Robb is at the top of her game Von Ein Kunde With 2058 coming to an end, the holiday season is in full swing even though a serial killer is on the loose. Getting into the spirit of Christmas, the killer uses the carol "The Twelve Days of Christmas" as his theme. He has left behind with his victims a partridge in a pear tree, two turtle doves, etc. He dresses up as Santa in order to obtain easy access to his victim's home. Just returning to duty after recovering from injuries sustained on her last case, New York police lieutenant Eve Dallas is heading up the investigation. The perpetrator strikes a bit too close to home for the compassionate cop as it reminds her of the atrocities her father did to her. As the murder count rises and her case going nowhere, Eve goes all out, including outside the law, to bring down the culprit. J.D. Robb pens another exciting futuristic thriller that will make her many fans feel as if Christmas has arrived in summer. Although the romance is an intricate part of the story line, the primary thrust centers on the identity of the killer, especially with the array of viable suspects. The glimpses into the heroine's past help the reader understand her motives, adding a brilliant personal touch to the story. Ms. Robb continues to scribe one of the best series on the market today. Harriet Klausner

Kurzbeschreibung Lieutenant Eve Dallas tails a serial killer who has a passion for the "Twelve Days of Christmas" in this novel in the #1 New York Times bestselling *In Death* series. No one likes to be alone during the holidays. For New York's most posh dating service, *Personally Yours*, it is the season to bring lonely hearts together. But Lieutenant Eve Dallas, on the trail of a ritualistic serial killer who likes to dress up as Santa Claus, has made a disturbing discovery: all of the victims have been traced to *Personally Yours*. As the murders continue, Eve enters into an elite world of people searching for their one true love. A world where the power of love leads men and women into the ultimate act of betrayal... From the Paperback edition. de In the seventh of J.D. Robb's futuristic romance thrillers, NYPD Lieutenant Eve Dallas is on the trail of a serial killer terrorizing the city during the holidays. The only link between the victims--all are patrons of an exclusive dating service, *Personally Yours*. Working with her aide Officer Peabody, Peabody's nemesis Ian McNab, and her own intriguing husband, Roarke, Eve uncovers secrets that link the victims: secrets that involve both the owners and the clients of *Personally Yours* and which might be worth killing for. Whether she's writing as Nora Roberts or as J.D. Robb, Roberts weaves a taut and powerful story with lush sensuality and masterful characterization. This murder mystery combines elements of romance, science fiction, and police procedural genres in an entertaining mix that will keep readers turning the pages. --Lisa Wanttaja.com In the seventh of J.D.
