Schn! Von Samantha Nachdem ich den ersten Teil begeistert verschlungen habe, zögerte ich natürlich nicht lange und bestellte mir diesen Teil. Bin begeistert!! Wieder besteht die Geschichte aus E-Mails! Ich konnte nicht genug bekommen! :) 1 von 1 Kunden fanden die folgende Rezension hilfreich. Ein Lesevergnügen! Von Bienochio Dieses Buch liest sich absolut flott von der Hand... man verfolgt anhand von E-mails zwischen Holly und ihrem Freund/Freunden/Kollegen/Familie ihren Tagesablauf. Das ist besonders spannend, weil man durch die Kommunikation mit vielen Personen vieles auch aus zwei Sichten erfährt.. was ich persönlich klasse finde. Holly ist eine Person, die auch unheimlich sympathisch rüberkommt.. und man zittert mit ihr, dass sie Ihren Weg findet. Einfach Lesen.. mehr kann man dazu nicht sagen! Ich wüßte schon, warum ich nicht gewartet habe, bis die deutsche Übersetzung veröffentlicht wird :-)) 0 von 0 Kunden fanden die folgende Rezension hilfreich. So entertaining! Von Vlora (Reviews and Cake) Oh, this book is just such a page turner (screen swiper?). It's entertaining and funny, and it will fulfill all your voyeuristic tendencies. I love the characters, and the hilarious situations. The endings of these books sometimes feel a bit too forced, because everything has to wrap up nicely, but I don't mind too much, because it was just too fun to read.
