Von Jackie Collins : Hollywood Husbands (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Hollywood Husbands (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 1 Kunden fanden die folgende Rezension hilfreich. Coole StrandlektreVon Ein KundeHollywood Husbands" (1986) ist der Nachfolger von Hollywood Wives" (1983) und sollte

eigentlich beweisen, da die Männer von Hollywood ebenso verkommen sind wie ihre Frauen. In Erinnerung geblieben ist mir nur die berlebensgroße Seifenoperndiva Silver Anderson (die mehr als nur flüchtig an Joan Collins erinnert), ihre Tochter, die wilde Sängerin Heaven (die mehr als nur flüchtig an die junge Madonna erinnert), und Silvers neuer Mann (in dem sich Jackies zeitweiliger Horror-Schwager Peter Holm Gerchten zufolge wiedererkannt haben will). Das Guessing-Game, wer wen in Hollywood darstellen soll, ist bei "Hollywood Husbands" ein Teil des Fun-Faktors. Der Sarkasmus im Buch ist auch bewältigend. Zur Hochzeit von "Denver-Clan" mit Schwester Joan als böser Hexe. Jackie in diesem Buch den Satz ab, der mir immer noch als ihr bester vorkommt: Nein, mit Linda Evans bin ich nicht verwandt!"

Kurzbeschreibung Hollywood Husbands are hot Hollywood Husbands are dynamic Hollywood Husbands are sexy Hollywood Husbands are deliciously dangerous! Jack Python is the hottest Hollywood Husband of all. He rules nighttime T.V. and his controversial talk show burns up the ratings, while the women he encounters melt. With one expensive divorce behind him, and involved in a highly erotic affair with Oscar-winning actress Clarissa Browning, Jack Python has power, charisma, success, and money. But sometimes everything isn't enough. Howard Soloman, head of Orpheus Studios, is the man, the Hollywood King. Anything Howard wants, he gets. Including women. The sweet smell of power and Howard's street-smart style reels them in. Working for billionaire studio owner Zachary Klinger, a man with a whim of iron, Howard has problems enough. And if Howard can't deliver daytime soap megastar Silver Anderson at Klinger's command, he may lose his footing at the top of the heap. Though in Hollywood it's said that when you fall, you fall up from the top Howard has nowhere to go but down. Mannon Cable is a superstar. With great looks and a body to match, he is full of self-deprecating charm. Married briefly to gorgeous Whitney Valentine, who left him to become a television superstar, he was hit by the divorce where it really hurts his giant ego. Jack Python, Howard Soloman, and Mannon Cable have been competitive friends for years. Yet when Jade Johnson enters their lives, the least-expected one of the self-styled Three Comers may have finally met his match. Jade Johnson is a woman of the eighties. Strong, independent, a top New York model, she comes to L.A. for a series of million-dollar TV commercials. Jade is a dangerously beautiful woman with personal integrity and a mind of her own. The Hollywood game fails to impress her, but slowly, surely, she is sucked in. And, high roller that she is, if she must play, Jade will play to win. Pressestimmen.
