Moon Von Huldrych Schmid I read Wambaugh books more than once. I leave the books in my vacation site in South India; on my returning visits I enjoy reading them again.

**Kurzbeschreibung** Bestseller Wambaugh's entertaining third Hollywood Station novel (after Hollywood Crows) provides lots of laughs and gasps from all of your favorite characters. There's a saying at Hollywood station that the full moon brings out the beast--rather than the best--in the precinct's citizens. One moonlit night, LAPD veteran Dana Vaughn and "Hollywood" Nate Weiss, a struggling-actor-turned cop, get a call about a young man who's been attacking women. Meanwhile, two surfer cops known as Flotsam and Jetsam keep bumping into an odd, suspicious duo--a smooth-talking player in dreads and a crazy-eyed, tattooed biker. No one suspects that all three dubious characters might be involved in something bigger, more high-tech, and much more illegal. After a dizzying series of twists, turns, and chases, the cops will find they've stumbled upon a complex web of crime where even the criminals can't be sure who's conning whom. Wambaugh once again masterfully gets inside the hearts and minds of the cops whose jobs have them constantly on the brink of danger. By turns heart-wrenching, exhilarating, and laugh-out-loud funny, Hollywood Moon is his most thrilling and deeply affecting ride yet through the singular streets of LA. **Pressestimmen** "Darkly funny." Los Angeles Times "[W]hat other author could present cops, street people, and career criminals with such deadeye credibility? Only Wambaugh, former street cop and sergeant with the LAPD and author of 18 works of fiction and nonfiction... In his latest, his fourteenth novel since the groundbreaking The New Centurions... Crimes escalate and fun abounds." **Booklist** "Full of glimpses into the workings of low-level tech crime, bestseller Wambaugh's entertaining third "Hollywood station" novel (after Hollywood Crows) provides lots of laughs and gasps along with a few tender sighs... Spare and punchy prose fuels descriptions so on target that readers will feel they are riding shotgun, gazing out on Tinseltown's tawdry landscape." **Publishers Weekly** "As bracing, honest and smart as anything Wambaugh has written" David Simon, creator of The Wire. "The one truly authentic voice of LA crime" Daily Mirror. "Wambaugh's best book yet... full of hilarious anecdotes that ring absolutely true" Stephen King. "Hilarious black comedy... fabulous characters with an enviable turn of phrase and a way with street language that zings off the page" Daily Express.
