Fourth in the Aisling Grey, Guardian, seriesVon Helen Hancox"Holy Smokes" is the fourth in a series and it's immediately apparent, on reading the book, that it very much helps to have read the previous novels. There are a lot of characters and is a huge amount of world building that isn't explained in any depth in this novel and it's quite hard going for someone new to the series to follow all the different situations, people and powers.Aisling Grey seems, in a

rather Anita Blake manner, to have picked up a number of different skills/roles in the course of this book series. Not only is she a Guardian but she is also a Demon Lord, a Dragon's mate, a Prince of Abaddon and various other things. She has a voice in her head trying to encourage her to the dark side, a demon familiar that's a dog and various other assistants who appear at various times. Her love interest, Drake (a dragon) spends a lot of this book disappearing, being kidnapped and keeping things from Aisling - they are meant to be getting married but things keep getting in the way so that one or other of them doesn't make it to the church. A side note, here, that if you didn't arrive for your wedding in a Church of England church on Saturday there is no way you could have the wedding the next day instead - things just don't work like that! Anyway, the wedding is a theme throughout the book as various things crop up that require Aisling and Drake to go off and do some troubleshooting. They travel around a lot, both in Europe and to Abaddon, various old foes reappear, along with some new friends (or are they friends?) The plot has many strands taking place at the same time and Aisling seems to spend most of her time rushing ahead where angels fear to tread, getting in the way of things that she doesn't know about, and requiring Drake to tell her he loves her. But despite all this she's an appealing character despite her blundering and her desire to trust people comes across well, if a little naive. For those who have read this series from the beginning they will enjoy this latest episode. For newcomers to this series this isn't a great book to start with as there is too much backstory to catch up with and too many plot threads to give it an overall shape. Guardian Aisling Grey Von Deb Lee However, unknown relatives are coming out of the woodwork from even unheard of paranormal places demanding an invitation to the wedding of the year. As the numbers grow, even imps want to be there though one must be cautious in allowing that species anywhere near a gala unless food fights are on the agenda. As their wedding plans expand to the point they consider elopement, the hostilities between the green and the red dragons ignites into what looks like a heated war. Finally Fiat the blue dragon demands Drake back off as he has a prior claim on Aisling. Overwhelmed by it all, Aisling concludes she either remains single or she abducts Drake so that he can become her beloved spouse. The fourth Aisling Grey romantic fantasy is a wonderfully amusing relationship drama with some YOU SLAY ME escapades. Fans of the series will enjoy the zany goings-on as the lead couple prepares for a wedding celebration that has completely gotten out of control especially on the supernatural plane. HOLY SMOKES, this is a laugh out loud tale that readers will appreciate while wondering elopement but to where, breaking up but they light each other's fire or I do while dragons war and Fiat heatedly objects!!! I would also recommend, if you missed reading Tino Georgiou's bestseller--The Fates--go and read it! 1 von 3 Kunden fanden die folgende Rezension hilfreich. Wollte nicht auf die Erscheinung der deutschen bersetzung warten Von Mia Nachdem ich die bereits in deutscher Sprache erschienen Teile der Aisling Grey Reihe verschlungen habe, wollte ich nicht warten bis der letzte Band der Reihe auf Deutsch erschien und habe mir das englischsprachige Original gekauft. Insgesamt finde ich diese Reihe sehr gelungen; sehr lustig, romantisch und einfach toll geschrieben. Interessanterweise gefällt mir jedoch die deutsche bersetzung erheblich besser als das englische Original. Die US Version ist sehr umgangssprachlich geschrieben und z.B. Jim spricht im Original fast "gossenhafte", was in der deutschen bersetzung abgemildert ist. Dadurch passten teilweise das Charakter-Bild, das sich beim Lesen der deutschen Bcher im Kopf gebildet hatte, nicht mehr recht mit dem der US Version berein. Und ich muss sagen, dass mir die Charaktere der deutschen Ausgabe sogar etwas sympathischer waren. Fazit: Die Story und die Charaktere sind toll, man muss sich aber, falls man zwischen den deutschen und englischen Bchern wechselt, etwas an den Schreibstil und die dadurch teilweise Andersfrbung der Charaktere gewöhnen. Daher bekommt dieser Band von mir nur 4 statt 5 Sterne.

Kurzbeschreibung Im Aisling Grey but you can call me frustrated. The dragon of my dreams uber-sexy Drake Vireo, wyvern of the green dragon has finally decided to make an honest woman of me. That is, if we ever make it to the wedding at the same time! Being left at the altar may have cooled my jets, but not my passion... a good thing when Drake disappears and it's up to me to find him. Most brides just have in-laws to worry about. Me? I have warring dragons, ticked-off demon lords, eternal damnation, and a mage who wants to challenge me for an otherworldly position I don't even want. At least Jim, my doggie-demon, is always at my side. He's never let me down yet. Kurzbeschreibung Im Aisling Grey but you can call me frustrated.
