It was there that Della had met and married Declan. After Declan goes into business with Hannah Powell, Declan moves them to Chicago. It did not seem to matter to Declan that Della would be miserable in Chicago. So Della ends up spending years in a city she

hates, constantly making all of the sacrifices that her husband asks of her. The only bright spot in Della's life is her young son, River. Della has kept close contact with Declan's parents, Leila and Shamus. Declan has not spoken to his parents in over a decade, but Della would often call, write, and send them pictures of the grandson they had yet to meet. As the business Declan and Hannah created fails, Della begs her husband to cut his losses and for them to return to Peaceful. Yet Declan refuses. Declan is not concerned that they are living in a bad section of the city or that he is putting the safety of his son and wife at risk daily. Therefore, Della finally decides it is up to her to put River's safety and needs first. No matter how much Declan demands they stay, Della and River are leaving. On their last morning together, Declan admits to having an affair with Hannah. This betrayal cuts her deeper than any other Declan had committed previously. And as Della waits for River to finish his last day of the school year, she receives the call from Hannah that would forever change her life. The business is burning to the ground and Declan has been in a fatal car accident. After the funeral, Della and River finally leave Chicago to begin their new lives in Peaceful. Leila, Shamus, and their nephew, Cade Somers, are supportive and do all they can to help. Cade turns out to be the friend Della so desperately needs and River quickly adores him. But when Cade admits to wanting more than just friendship with her, Della's fears and insecurities reemerge. **** FOUR STARS! Karen Wiesner writes stories that touch the hearts of her readers. This one is no exception. The character of Della is compassionate and sympathetic. She knows that she has drifted away from God and is striving to find her way back. Della is fiercely protective of her young son and does whatever is needed to ensure his care and safety. I found Della to be a good mother, even though she bowed to all of her husband's wishes for too long. The son, River, charmed me from the start and is sharp as a tack. I hope to return to the town of Peaceful someday. **** Reviewed by Detra Fitch of Huntress Reviews. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Touches the heart.
