Von Kaje Harper : Home Work (Life Lessons Book 3) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Home Work (Life Lessons Book 3) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. 3rd book in the Life Lessons series - again great bookVon SunneWhat can I say - real life, long hours at work - not everything is okay in their world. But..oh, my, they are still so much in love (when they have time) and yes, again, it's not just a love

story. Actually the crime itself was a whole story, too and seriously...I didn't see it, I was just as astonished at the end. But - I need another book. Kaje Harper is not afraid to confront her readers with unusual and uncomfortable situations and Mac's condition I want to get him better, I want their life back. I think the next book is going to be a hard one.

Kurzbeschreibung Coming together as a family was supposed to make life happy-ever-after for Mac and Tony, but their two uprooted kids, demanding jobs, and a less than gay-friendly world don't seem to have gotten the message. Mac and Tony thought the hard part was over. They're together openly as a couple, sharing a home and building a life with their two children. It's what they dreamed of. But daughter Anna struggles with the changes, Ben is haunted by old secrets, Mac's job in Homicide still demands too much of his time, and Tony is caught in the middle. It's going to take everything these men can give to create a viable balance between home and work. Especially when the outside world seems determined to throw obstacles in their way.
