KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Great Book - This is not about incest as they are not related by blood. Give it a chance.Von Kate CornerI had heard a lot of good things about this book. It was also a book that was different and I wasn't too sure how I was going to take it. Well all I can say are the 4 fan-freaking-tastic Stars.Cassie's Mum remarried she moved in with her stepdad and stepbrother. Cassie was 19 and Ryan was 24. So it isn't as if there was any sibling relationship there and both them felt things that

they think they shouldn't have. Ryan and Cassie's parents are on holiday. Cassie's Mum asked Cassie to house sit and Ryan's Dad asked Ryan to house sit. They were so in this together. Due to misunderstandings and feelings that are unwarranted but are normal Cassie and Ryan fight like cat and dog. Well needless to say they get their HEA. The execution and writing of this book was very tasteful and I really enjoyed it. A bit weird at times but nevertheless still bloody good.

Kurzbeschreibung Cassandra Cross has loved Ryan Sears since the minute she met him, too bad he's been her number one enemy from about that same time. Ryan is off limits and it would help if Cassie could remember that. Besides there's no way the sexy, self-disciplined ex-Marine could be attracted to a curvy, smart-mouthed woman like Cassie. Ryan's not only attracted to Cassie; he's in love with her. For years he's tried to forget her and the pain she caused him. He still wants her, but he's tired of being ignored. Now Ryan has two weeks to prove to Cassie that he's a real man and a Marine in every sense of the word. Unfortunately, great sex isn't enough to put old insecurities to rest. When push-comes-to-shove one of them will walk away and the other will have to find the courage to either fight for their love or risk losing it forever. This complete short read has the added bonus of two gorgeous, outspoken Marine buddies who don't pull their punches. As well as, Cassie's dirty-minded best friend Alyssa, who doesn't hesitate to tell her like it is. Due to explicit language and sexual content, this story is intended for mature readers only.
