sums up this wonderful book concisely. Micah (Mike) Winship returns home after a 20-year estrangement from her father who is now dying. Never being close to the man and long a "worldly" woman, Mike is looking to recapture a simpler life. She soon learns that the basic things she once eschewed (family, land, love) are the greatest aspects of life. She reconciles with the great love of her young life who is anything but what he seems. Mike's one-time beautiful older sister has her own plans for the future and the protagonist soon finds herself allying with the man she never dreamed she be close to and a mysterious outsider who plays his way into her trust and heart. This book will appeal to all romantics and those who are close to their family (or wish that they were). It is a novel of the heart and leaves you wanting more. This book will stay with you for a long time!0 von 0 Kunden fanden die folgende Rezension hilfreich. Another Masterpiece.Von Ein KundeMs. Siddon's did it again. A very powerful, interesting novel. KurzbeschreibungAfter twenty-one years Micah (Mike) Winship is making the big move--she's going home for a visit. She hasn't been back since 1963, when her father threw her out, but now he is dying and asking for her. And although she is armed with her succesful journalism career and the strength found after her divorce, she is nearing forty and her sophisticated urban lifestyle is falling apart.Heading home, Mike is unprepared for a past that has lain in wait for her--one that includes an old love, a spoiled sister, and a plot to seize her family's land. And in trying to understand her long-forgotten self, she learns at last those lessons best learned early about love and loss, family and forgiveness, and the undeniable need for a place called home.Pressestimmen"Siddons is a fine teller of tales."--"The Washington Post Book World""Powerful, sensitive...You won't want to miss "Homeplace."--"Atlanta Journal Constitution"Anne Rivers Siddons...writes with such astonishing lyrical beauty that you will want to read it aloud to everyone you ever loved."--Pat ConroyKurzbeschreibungAfter twenty-one years Micah (Mike) Winship is making the big move--she's going home for a visit.
