Von Chris Keniston : Honeymoon For One (English Edition) before purchasing it in order to gage whether or not

it would be worth my time, and all praised Honeymoon For One (English Edition):

Kurzbeschreibung*Please note: Honeymoon For One was originally published in 2013 with a different cover.* To escape local gossip, jilted bride Michelle Bradford embarks on her honeymoon cruise alone. Coaxed by a thrill seeking hunk she never expects to see again, she slowly sheds her good girl persona to have some well deserved fun. But unlike Vegas, what happens on the high seas doesn't always stay there. More about the contemporary romance Honeymoon For One: USA TODAY Bestselling author Chris Keniston's love of a good story and frustration with the end of a well known author's romance best seller, drove her to pen her own works of romance and fiction. The popular themes of second chances, small town, family, and cruise ship fun, blended with the story of a jilted bride and friends to lovers workplace romance have kept Honeymoon For One on the Kindle ebook best seller lists and made this contemporary romance a reader's choice. Chris invites you to sit back on a lazy afternoon, kick your shoes off, put your feet up, and join her for a few hours with laughter, love and even a few tears, in the world she's created for Michelle and Kirk. (P.S. The scene in last chapter at the office is her favorite, too.) Little did she know the balmy seventy degree October days would turn into fry-an-egg-on-the-sidewalk heat in August! Twenty years later, she started scribbling short stories about her favorite TV shows, giving them lives more to her liking - and the elusive happy ending. Not long after, a dear friend dragged her to a local writer's meeting. After winning multiple writing contests and finaling in the prestigious Golden Heart Contest, Chris has penned five contemporary novels and now spends her days, and nights, writing contemporary romantic fiction with lots of emotion and plenty of surprises - and of course - the happily ever after. Chris lives in suburban Dallas with her husband, two human children, and two canine children. Though she loves her puppies equally, she admits being especially attached to her German Shepherd rescue named Gunny. After all, even dogs deserve a happily ever after.
