Von Beth Orsoff : Honeymoon for One before purchasing it in order to gage whether or not it would be worth my time, and all praised Honeymoon for One:

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Easy to read but still thought throughVon MelThis was a nice book for the beach or an afternoon in the sun. I read it almost in one go and have to say quite enjoyed it.The story was fun, the main characters very likable and I just couldn't stop reading since I wanted to find out who was who and working with whom and responsible for what... Luckily

everything made sense at the end and I was happy about the fun I had while trying to figure it all out. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Easy peasy reading Von Dinkydi Reader Quite easy holiday reading. No serious stuff. However, not really standing out, have read many like this before but 0 von 0 Kunden fanden die folgende Rezension hilfreich. Seichte Strandlektüre Von Bernd M. Jordan Einfach gestrickter Who-dunnit mit nur wenigen Twists and Turns. Die Protagonistin ist stellenweise ungewöhnlich naiv in ihren Äußerungen und Handlungen. Dummerweise bringt das den Plot nicht immer weiter. Trotzdem ganz unterhaltsam zu lesen.

Kurzbeschreibung Being ditched at the altar is the least of Lizzie Mancini's problems. Sitting in a Caribbean jail cell accused of murdering her "pretend" husband, however, is at the top of the list. After her real groom jilts her, Lizzie decides to go solo on their Belize honeymoon and meets handsome Michael Garcia, who is nursing his own heartache. To avoid the bleakness of dining and sightseeing alone, as well as questions from nosy, if well-meaning, fellow guests at the couples-only resort, the two agree to pose as newlyweds for the week--no strings (or sex) attached. The plan runs smoothly until Lizzie enjoys the attentions of the local scuba instructor and Michael's body washes ashore. Suddenly the "Mrs." is mistakenly ID'd as suspect numero uno. With the Polizia Nazionale ready to close the case and cook her goose, Lizzie will have to solve the crime herself. Unexpected romance and international intrigue are center stage in Beth Orsoff's mystery caper that takes "'til death do us part" to a whole new level. Discover Beth Orsoff's latest international caper, THE BILLIONAIRE WHO WASN'T . . . An ethically-challenged sister . . . A father who's on the lam . . . A mother who's barely speaking to her . . . And a federal agent who wants to bed her . . . What's a former billionaire's daughter to do? Nina Roth is having a horrible day. Actually, make that a horrible week. In fact, make it a horrible year. Unemployed? Check. About to be homeless? Check. Father's an international pariah and Nina's guilty by association? Check. What's a former billionaire's daughter to do? The only thing she can--swallow her fear, ignore that little voice inside her head telling her all is not as it seems, and embark on an international manhunt that will either save her life or destroy it, once and for all. Beth Orsoff deftly combines humor and suspense in this captivating escapade filled with fine wine, dysfunctional family, and an ending you'll never see coming.

ber den Autor und weitere Mitwirkende Beth Orsoff is the author of Romantically Challenged, Disengaged, Girl in the Wild, Honeymoon for One, and Vlad All Over. She was born in New York City and has never lived more than an hours drive from the ocean even spending her formative years toiling as a lifeguard where she was paid to work on her tan. When her parents forced her to get a real job, she went to law school and forged a career as an entertainment attorney in Los Angeles. Currently, when she's not writing humorous or suspenseful womens fiction, Orsoff can be found at her desk drafting Hollywood contracts. Sadly, she no longer sports a tan.
