Von Rachel L. Hamm : Honor's Lark (The Lark Series Book 1) (English Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Honor's Lark (The Lark Series Book 1) (English Edition):

I have to say that I love Rachel's first book 25 and I was so looking forward for Honor's Lark. I love romance novels, but Honor's lark was too much fantasy.

Kurzbeschreibung In a world where everyone is assigned a lifemate at birth by the Gods, thirty year-old Honor is still looking for hers. When her new boss, Sedric, points out that her mate probably died before they met, Honor embarks on a quest for closure. She needs to know who her mate was and what he was like so she can move on with her life. Sedric is determined to help Honor, because he understands the emptiness she's feeling. As they search for Honor's lifemate and get to know each other, they start to wonder if the only kind of love is that which is fated and if there really is only one person for everyone.

ber den Autor und weitere Mitwirkende Rachel was born in Buffalo, NY but grew up in Burlington, NC. Raised by northern parents in the south, she likes to say she got the best of both worlds. Her writing is inspired by classic authors like Jane Austen and Charles Dickens, as well as contemporary ones like JK Rowling and Claire LaZebnik. She loves to read and has been known to spend an entire weekend engrossed in the adventures of her favorite characters. Rachel now lives in Raleigh, NC, but someday hopes to make it to London. She's pretty sure (if reincarnation exists) she was British in another life.
