Von Helen Harper : Honour Bound (Highland Magic Book 2) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Honour Bound (Highland Magic Book 2) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Lesen und Spa haben!Von Moebius,„Das ebook habe ich vorab von Helen Harper gratis erhalten fr eine ehrliche Review im Gegenzug.Zur Handlung:Das Buch schliet an das Ende des ersten Buches an.Teg arbeitet inzwischen fr die Bergwacht

und hat die Gaunerei (fast) abgelegt. Ihre Freunde sind mit ihr zusammen in das neue Leben gestartet und leben mit ihr in Oban. Durch einen Zufall erfährt Teg das in jeder Generation einmal die Sidhe Spiele abgehalten werden. Obwohl es vordergründig darum geht aus Ehre für den Clan die Spiele zu gewinnen, hat jeder Mitbestreiter seine eigenen Gründe daran teilzunehmen. Vor allem da der Sieger sich etwas wünschen kann - und zwar alles was er möchte und von den Clanchefs erfüllbar ist, egal was. Teg sieht hier ihre Chance die Adair Ländereien zurückzugewinnen und stellt sich den drei Herausforderungen. Sie erfährt mehr über ihre Eltern und ihre eigenen Sidhe Kräfte. Als wäre das nicht genug gibt es zudem noch Byron, von dem Teg nicht so ganz weiß ob sie ihm nun trauen kann oder ob er gemeinsame Sache mit seinem Vater macht. es gilt wieder: lest selber und habt eine unterhaltsame Zeit dabei! Wie schon das erste Buch der Highland Magic Reihe liest sich auch dieses Buch flüssig und leicht. Die Handlung ist gut beleuchtet und mir sind keine "Stolperer" aufgefallen. Highland Magic ist meine derzeitige Lieblingsserie von Helen Harper und ich kann kaum das dritte Buch im Mai abwarten. 0 von 0 Kunden fanden die folgende Rezension hilfreich. The series' 2nd installment is even more gripping than book one. Couldn't lay it down. Von MinaNote: as the title says, this is the 2nd book in a series and although one could probably start reading here, I don't recommend it. Anyway: there'll be spoilers for events in the previous installment. ReviewLike with the prequel, I read the book in no time. And once I started reading, I couldn't stop, I just had to know what would happen next to Integrity, the sidhe chieftain without a clan. But no, that's not totally true: although her clan was allegedly erased by her own late father, with her as last member standing, Integrity managed to collect a family of friends. And they are with her, when she by chance finds out about some once in a generation sidhe conquest that is soon to be held and where the winner can ask for anything he or she wants. And there is something Integrity wants badly, now that she knows that there is a lot wrong about the tale told about her murderous father: her clan's lands back. So she and her merry band of [former] thieves travel to sidhe central and enlist. And this is where the fun truly begins. I liked the plot with the tournament. A lot. The various challenges are cannily designed and Integrity's way of tackling them is mostly pretty amazing and yet believable. As is the outcome. And the sidhe plotting and intriguing during and around the tournament is awesome and very entertaining. It is part of the charm, as is the search for the truth about the past. Sadly, the book doesn't reveal much in that regard. There is rumors about some prophecy that seems to revolve about Integrity and she is able to glean some information about the Stewart who seems to become the her arch-nemesis. Oh and I loved loved loved Integrity's short, but eventful journey behind the Veil. Yes, she does it and H. Harper's depiction of the demon ridden lowlands is incredible. I hope the demons and their demesne will play a bigger part in the future. Well, so why only four stars, instead of five? What's not to like? Nothing, if you can overlook a protagonist's continuous visits in the land of too stupid to live. I do have my problems with that. On the one hand, I appreciate that the cracking bad jokes has diminished, but now we have Integrity's crush on Byron and for someone who has so many things being at stake. That just makes her look like a 14 year old, not a woman in her mid-twenties. And then there is the constantly being distracted to the point of making bad mistakes. At one point someone tells Integrity Focus on what's important, girl! People your age get distracted too easily. No wonder you keep making such a mess of things. And that's exactly it. Integrity could be so much more, if only she could get a grip. I'm hopeful she does and will read Veiled Threat right now. 0 von 0 Kunden fanden die folgende Rezension hilfreich. SuperVon Delen MiteHabe das Buch in einem Zug durchgelesen. Es war so schnell zu Ende, dass ich nach der letzten Seite richtig erstaunt war. Ich habe es richtig genossen von einer Heldin zu lesen, die keine super Kampfkunst beherrscht und durch und durch Pazifist ist. Und sie findet trotzdem immer wieder ihren Weg und ihre Lösung. Sie kämpft für das Gute und nimmt dann auch mal den zweiten Platz in Kauf, weil es richtig ist oder weil es den anderen rettet. Die Dialoge sind witzig und die Running Gags immer wieder klasse. Ich bin so gespannt, wie es im Mai weitergeht. Habe den Bd. 3 schon vorbestellt. Gerade weil Teg keine super Kampfkunst beherrscht, sind ihre Begegnungen mit den Dmonen oder anderen, die ihr etwas anhaben wollen, umso spannender. Die Geschichte zieht einen einfach gerade deswegen in ihren Bann. Und ganz ehrlich Hut ab für den Mut, so eine Heldin zu wählen.

Kurzbeschreibung Integrity Taylor should have been a Clan princess. Instead she's lived a life on the very periphery of society. Now that she's learnt more about her heritage, however, and the magic that she's capable of wielding, she's not going to hide in the shadows any longer. The once-in-a-generation Sidhe Games are going to provide the perfect opportunity for her to win back her birthright - and the fact that she'll be going head to head, toe to toe and mouth to mouth with golden haired Byron Moncrieffe might just be the icing on the cake. This is the second book in the Highland Magic series. Kurzbeschreibung Integrity Taylor should have been a Clan princess. Instead she's lived a life on the very periphery of society.
