Sehr interessant und gut geschriebenVon Anne WitzlebenDas Buch gibt interessante Einblicke in den "culture clash", wenn verschiedene Welten und Wertvorstellungen aufeinandertreffen. Und auch in die inneren Schwierigkeiten, wenn die junge Generation mit beiden Welten nicht zurechtkommt. Wie gut das Buch geschrieben ist, wurde mir besonders

bewusst, als ich gleich anschließend "The little Coffee Shop of Kabul" las, das ich doch ziemlich enttäuschend fand.0 von 1 Kunden fanden die folgende Rezension hilfreich. Mein FavoritVon Jim KnopfMein bisheriger Favorit von allen Elif Shafak Romanen. Eine Geschichte, die wie meist bei Elif Shafak durch verschiedenen Etappen der Zeitgeschichte reist, eine Familie mit Höhen und Tiefen (der Ehrenmord), aber doch sehr ergreifend, wenn es um die einzelnen Persönlichkeiten und ihre Beziehung untereinander/ zueinander geht.0 von 1 Kunden fanden die folgende Rezension hilfreich. Honour by Elif ShafakVon Marcus TwainusThank you for asking.I bought a copy of Honour by Elif Shafak for my English-language book club. The book's condition, shipping time, and price was exactly as described. My only problem is I missed the meeting.... But after reading the reviews on ".de"I am looking forward to reading this book.

KurzbeschreibungFrom the Orange Prize long-listed and award-winning author of The Forty Rules of Love and The Bastard of Istanbul Elif Shafak, Honour is a novel of love, betrayal and a clash of cultures.'My mother died twice. I promised myself I would not let her story be forgotten . . .'Leaving her twin sister behind, Pembe leaves Turkey for love - following her husband Adem to London. There the Topraks hope to make new lives for themselves and their children. Yet, no matter how far they travel, the traditions and beliefs the Topraks left behind stay with them - carried in the blood. Their eldest is the boy Iskender, who remembers Turkey and feels betrayal deeper than most. His sister is Esma, who is loyal and true despite the pain and heartache. And, lastly, Yunus, who was born in London, and is shy and different.Trapped by the mistakes of the past, the Toprak children find their lives shattered and transformed by a brutal act of murder . . .A powerful novel set in Turkey and London in the 1970s, Honour explores pain and loss, loyalty and betrayal, the trials of the immigrant, the clash of tradition and modernity, as well as the love and heartbreak that too often tears families apart.'A powerful book; thoughtful, provoking and compassionate' Joanne Harris, author of Chocolat'Rich and wide as the Euphrates river along whose banks it begins and ends, Elif Shafak has woven with masterful care and compassion one immigrant family's heartbreaking story - a story nurtured in the terrible silences between men and women trying to grow within ancient ways, all the while growing past them. I loved this book (Sarah Blake, author of The Postmistress)Elif Shafak tells stories of great urgency, heart, and intellectual acuity. Honour is a powerful tale of family connection and heartbreak, offering us insight and delight in equal measure. This is a compulsively readable novel, an exquisite and deep rendering of the fullness of life. (Aurelie Sheehan, author of The Anxiety of Everyday Objects)Shafak will challenge Paulo Coelho's dominance (The Independent)An honour killing is at the centre of this stunning novel... Exotic, evocative and utterly gripping (The Times)Lushly and memorably magic-realist... This is an extraordinarily skilfully crafted and ambitious narrative (The Independent)The book calls to mind The Color Purple in the fierceness of its engagement with male violence and its determination to see its characters to a better place. But Shafak is closer to Isabel Allende in spirit, confidence and charm. Her portrayal of Muslim cultures, both traditional and globalising, is as hopeful as it is politically sophisticated. This alone should gain her the world audience she has long deserved (The Guardian)In Honour, Shafak treats an important, absorbing subject in a fast-paced, internationally familiar style that will make it accessible to a wide readership (Sunday Times)Fascinating and gripping - a wonderful novel (Rosamund Lupton, author of Sister)Vivid storytelling... that explores the darkest aspects of faith and love (Sunday Telegraph)Moving, subtle and ultimately hopeful, Honour is further proof that Shafak is the most exciting Turkish novelist to reach western readers in years (Irish Times)KurzbeschreibungFrom the Orange Prize long-listed and award-winning author of The Forty Rules of Love and The Bastard of Istanbul Elif Shafak, Honour is a novel of love, betrayal and a clash of cultures.'My mother died twice.
