Von Lindsey Brookes : HOOKED ON YOU (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised HOOKED ON YOU (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Hooked on youVon Renate H.Chase ist ein gebranntes Kind was Beziehungen betrifft. Geschieden und nach einem Unfall unfhig Kinder zu zeugen, hat er sich geschworen, nie wieder eine feste Beziehung einzugehen. Das ndert sich auch nicht, nachdem er von einem kleinen Jungen mit einer Angel eingefangen wird und dessen Mutter kennenlernt,

obwohl sofort eine Anziehung besteht. Dann ist es ja gut, dass auch Shay keine Bindung nach dem Fiasko ihrer eigenen Ehe anstrebt. Doch warum können die Beiden nicht aufhören, sich bei jeder Gelegenheit zu küssen und mehr? *Hooked on you* ist eine witzige, leicht zu lesende Geschichte, die mich sofort eingefangen hat. Die wenigen Rechtschreibfehler und fehlenden Worte stören den Lesefluss nicht. Die Charaktere sind gut ausgearbeitet und liebenswert. Die Handlung ist nicht wirklich glaubwürdig, aber dafür ist der Spafaktor groß. Der Ausgang des Buches ist vorhersehbar, es gibt jedoch einige Wendungen, die überraschen. Und den Epilog habe ich sehr rührend gefunden. Gesamt gesehen hat mich das Buch sehr gut unterhalten, ohne mich geistig zu überfordern:-) Ich kann es allen HEA-Schichten ans Herz legen.

Kurzbeschreibung When Shay McDaniels learns that her father has been receiving threatening letters she heads down to his resort in the Keys. Frustratingly, he refuses to call the police, determined to handle matters on his own. Private investigator Chase Reynolds has no idea the woman he meets on the beach, the one whose son is determined to catch his mommy a man, is James Lansings daughter. James had assured him that his daughter was safely away in Miami. So when he sees the woman he met on the beach talking to James, even hugging him, Chase regretfully moves her to the top of his suspect list. It's not until James invites them both to join him in his private dining room that they discover each other's true identities. Lansing convinces Chase to become his daughter's personal bodyguard until the situation with the threats is taken care of. Being thrown together twenty-four seven is the last thing Chase wants, considering the unexpected feelings he has for Shay. Distraction can make a man careless. But he accepts, determined to protect her and her son with his life. For the first time since her divorce, a man stirs Shay's passion. More importantly, he makes her son smile. The last thing she expects is to fall for her bodyguard, a man determined to keep his heart at bay, but she does just that. Can she convince Chase he really is her happily-ever-after? Or will secrets uncovered ruin any chance of a future together? **Humor Romance** A touch of suspense A story to warm your heart and make you laugh!
