Von Kristina Ohlsson : Hostage (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Hostage (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. DisappointingVon VeronikaCompared to the previous books in the series this one is very disappointing. The story line is dragging and lacks the excitement that makes you want to continue to read until the wee hours of the morning. It feels that many flash backs and thoughts of characters are included to fill the book. The ending is abrupt and honestly

even more disappointing than the rest of the book.0 von 0 Kunden fanden die folgende Rezension hilfreich. Spannend, aktuelle Einwanderungsthemen und Terrorismus als Rahmenhandlung, gute UnterhaltungVon andiphilSpannend, aktuelle Einwanderungsthemen und Terrorismus als Rahmenhandlung, eUnterhaltung. Die Spannung wird gekonnt aufgebaut und durchgehalten. Die Autorin setzt ihre bekannten Charaktere in ein neues berufliches Umfeld.

KurzbeschreibungThe brand new thriller featuring Investigative Analyst Fredrika Bergman and Alex Recht of the Stockholm police.Shortly after a crowded New York-bound flight takes off from Stockholm, a bomb threat is found on board. Anonymous hijackers demand that the Swedish government revoke its decision to deport a Moroccan man. If their demands are not met, the plane will explode if it attempts to land. The US and Swedish governments must choose between negotiating with terrorists in order to save the four hundred passengers held hostage at thirty thousand feet, or to stand their ground and pursue the deportation of a possibly innocent man. Fredrika Bergman, familiar with the deportation case through her work in the Justice Department, now returns to the police force to act as a liaison between Police Superintendent Alex Recht, and the abrasive Eden Lundell, agent with the Security Service's counter-terrorism unit. But they soon realize that the plot behind the hijacking is far more complex than anyone initially thought. As the hours pass, the team are running out of options, and the plane is running out of fuel 'The writing is tense, dense and very atmospheric. The stories sharp and impossible to let go. Kristina Ohlsson is a true queen of scandinavian crime' Mons Kallentoft 'Superbly crafted' Daily Mail 'Kristina Ohlsson is a rising star of Scandinavian crime fiction' Sunday Times
