**Von Rebecca Forster : HOSTILE WITNESS: A Josie Bates Thriller (The Witness Series Book 1) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised HOSTILE WITNESS: A Josie Bates Thriller (The Witness Series Book 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen4 von 4 Kunden fanden die folgende Rezension hilfreich.  
Gripping!Von i-tpfelchenThe suspense remains throughout the book and you can expect some surprising turns at the

end. Also, the author really makes her characters come alive. As a sidenote: The heroine's unconventional relationship with her partner is an interesting element which I have not found in other novels so far. I like it. 3 von 3 Kunden fanden die folgende Rezension hilfreich. Mega spannend... Von Bcher gebraucht... man kann dieses Buch kaum weglegen. Hab mir direkt weitere Bcher aus der "witness"-Reihe geholt. Absolute Empfehlung, extrem fesselnde Story, toller Schreibstil! 3 von 3 Kunden fanden die folgende Rezension hilfreich. Guter Krimi Von Flieger17 Wer gerne leichte amerikanische Literatur liest, ist hier richtig. Der Plot ist ok, irgendwann verdichten sich die Hinweise auf den Täter - gut zu lesen, gute Protagonisten.

**Kurzbeschreibung** When sixteen-year-old Hannah Sheraton is arrested for the murder of her stepgrandfather, the chief justice of the California Supreme court, her distraught mother turns to her old college roommate, Josie Baylor-Bates, for help. Josie, once a hot-shot criminal defense attorney, left the fast track behind for a small practice in Hermosa Beach, California. But Hannah Sheraton intrigues her and, when the girl is charged as an adult, Josie cannot turn her back. But the deeper she digs the more Josie realizes that politics, the law and family relationships create a combustible and dangerous situation. When the horrible truth is uncovered it can save Hannah Sheraton or destroy them both. "This story was inspired by a case my husband handled. As a superior court judge he had to sentence a minor to life in prison. It made me wonder how I felt about minors arrested for violent crimes. Are they most vulnerable among us - capable of horrible violence, perceived as adults and yet emotionally still children?" Rebecca Forster "An enthralling read, with colorful, well-developed characters and the unique atmosphere of the California beach communities." Nancy Taylor Rosenberg "Blending complex psychological character portraits with spot-on accurate courtroom drama, Forster's riveting legal thriller keeps the plot twists coming until the last, satisfying page." - Alafair Burke **Pressestimmen** "One of today's best writers of legal thrillers." **Kurzbeschreibung** When sixteen-year-old Hannah Sheraton is arrested for the murder of her stepgrandfather, the chief justice of the California Supreme court, her distraught mother turns to her old college roommate, Josie Baylor-Bates, for help.
