This is Caine and Rowena's Love Story Von Ingrid Stephanie Jordan Title : Hot Burning Love Author : Dominique Eastwick Reviewed by : Stephanie Jordan Well I sure have been getting a lot of first lately. This is my second book written by Ms. Eastwick, But my first to read a Comedy Paranormal and believe me I laughed thru the whole book, yes it is a very quick read but we'll worth it. Rowena, everyone calls her Row, has a BIG problem, in fact her whole family has had the same problem for over two hundred years. Row keeps trying though because one day she knows she will succeed. Caine came from New York City where he was a well know pastry chef, when he meets Row he knows this is for him. BUT will Row be his? Will he stay with her when he finds out the truth? I was gifted this ARC for an honest and truthful review.

Kurzbeschreibung Rowena may be the best witch of her generation when it comes to crystals and their healing power but keep her far away from the oven. No matter how hard she tries there is no way to break a curse decades old that prevents her from baking anything at all. And she as well as her five witch friends have tried it all. So every month a cookie club time she buys her cookies to the thankful cheers of the others. Caine has fantasized about Rowena and her curves since they met years ago while she visited her best friend at the college they both attended. When a job opportunity comes up in her home town its too much of a temptation to resist. After all when you want something for so long there comes a time a man just has to go for it. When passion flames between them can love fight the dark magic swirling around them determined to break them or will the fires that burn in the kitchen burn them as well.
