**Von Zoe Barnes : Hot Property (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Hot Property (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. lovely and calm bookVon Ein KundeThere is a romance in this book but it is not the whole story. there is the 'normal' woman who inherits some property that she tries to do up to sell but then decides to kepp it. Her best friend also goes through

some problems of her own. but together they manage to come out of it. There is no real drama or really big message in this book. but the story is good and it makes a nice read.

**Kurzbeschreibung** When Claire inherits a house out of the blue, she thinks she's struck it rich! But while the word 'cottage' conjures images of romantic idylls and roses round the door, there's nothing remotely heavenly about Paradise Cottage. It's a tumble-down wreck in the middle of nowhere - more in need of a demolition expert than a decorator. Still, Claire's not one to shirk a challenge. Much to the amusement of her hunky new neighbour, Aidan, she decides to renovate the cottage herself. After all, problem-solving, trouble-shooting - it's what Claire does best. She's used to planning events for thousands of people. She can sort out one little cottage . . . Can't she?

**Synopsis** Claire thinks that she's hit the jackpot when she inherits a house from a distant relative. As she surveys the wreck and determines to renovate it she little realizes the enormous amount of work involved but, help is at hand from Aidan - maybe.
