...another sexy adorably suspensy funny SEAL Romance by Cat JohnsonVon Bianca @BJsBBWe already know Chris and Darci from the previous books - Chris is a 40-year-old ex SEAL and a partner in the newly formed security company GAPS - Guardian Angel Protection Services.Darci is his former team-mate Rick's little sister. And Chris has

been lusting after her for a looong time. Only she doesn't take his flirting seriously....she's in love with another one of the guys - not-single-any-longer-Zane. Poor Darci. But Chris will not give up - he'll try everything to finally have her notice him as something other than a joking big brother-buddy. I really enjoyed this book. I loved all the previous stories in the Hot SEAL Series - and this one was just as great. A hot former special forces soldier and his buddy's cute little sister. A real recipe for disaster - because, of course, there's the BRO-CODE. You do NOT mess with a buddies' sister! But you can't help who you'll fall in love with. Plus a bit of suspense - lots of sexy scenes and all those funny and adorable SEALs...PERFECT BOOK!!! Can't wait for the next one!

Kurzbeschreibung A deadly sexy SEAL. His best friend's sister. An assignment gone very wrong. A USA Today bestselling book...Retired Navy SEAL Chris Cassidy knows the bro code--no messing around with teammates' sisters. But, Chris never was one for following rules. Besides, Rick's gorgeous sister Darci is worth breaking a few rules for. Darci Mann is tired of being alone. Since Zane, the bad boy SEAL she had a crush on, fell in love with someone else, and her best friend Ali found her own happy ending, Darci's feeling her single status extra keenly. Though she suspects her brother's friend Chris would be willing to change that if she decides to let him. When a routine assignment turns deadly and Chris switches from charming joker to trained killer, willing to kill or die to protect her, Darci might have to reevaluate her feelings about the perpetual bachelor and her own life and future with him. Look for the rest of the Hot SEALs series available in eBook, paperback and audio. Note: This novel is book 4 in a SEAL team romance series but each is a standalone love story featuring a different hot alpha male Navy SEAL hero and his own sassy heroine, each with their own happy ever after (HEA).
