Moments where she thought she was alone.Her manager immediately hires a security team.Enter Rick Mann.The former SEAL has been bored with his life lately.He had to quit the teams because of a knee injury, and

his security job at the nuclear plant is way too unexciting for the adrenaline junkie military man. But it's too soon to quit and join his buddies' GAPS Security company - he wants to wait until they have enough jobs for them all to work there full-time. But now that he has some days off, he's super excited to be handed a case. BODYGUARD!! He probably thought he'll get to protect some old and boring Washington senator or something like that - but nope - he'll get Hollywood royalty. They both pretty much hate each other on sight. But what would be the fun in falling in love if you didn't have to fight for it? _____ This was another perfect book in this great SEAL-Romance series!! I am such a huge fan of everything Navy SEAL!!!! Total fangirl!!! I pretty much read the book in one afternoon and I loved every second. It's funny and sexy and suspensy and it has LOTS of hot former and current Navy SEALs for us to drool over. PROTECTED BY A SEAL was another perfect romantic suspense story in the Hot SEALs series! You'll sooo want your own body to be guarded by Rick and his buddies after reading it! I WOULD SOOO LOVE IT if someone would make a movie/tv-series out of this series - just so we could stare and fangirl at hot SEALs all day long!!!! I'm ready now for the next hot SEAL.

Kurzbeschreibung As a Navy SEAL, Rick Mann fought his way to hell and back, but he's never faced a challenge quite like protecting Sierra Cox. She's spoiled, she's annoying, and he's never wanted a woman more. That's a problem for so many reasons. At the top of that list is that he needs to keep his head in the game because even though Sierra doesn't take anything seriously, including Rick, the threats on her life are very real. Some days Rick doesn't know who he hates more, the woman he's protecting or the man trying to kill her. But there's only one of the two he wants to take to bed. Don't miss Rick's SEAL brothers in the USA Today bestselling Hot SEALs series by New York Times bestselling author Cat Johnson. Night with a SEAL, Saved by a SEAL, SEALED at Midnight, Kissed by a SEAL, Protected by a SEAL, Loved by a SEAL, Tempted by a SEAL, Wed to a SEAL, Romanced by a SEAL and more to come! Each story in the series is a standalone.
