KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A Mastif Dog Shifter? Von Ingrid Stephanie Jordan Title: Hounded Woodland Creek Author: Tasha Black Reviewer: Stephanie Jordan This is different from any of the shifters books that I have read, at first I was having a hard time reading it but then I grasped what was going on I could not put it down. Ms. Black is an unbelievable author. Once you read this you'll understand. Dulcie short for Dulcinea is an empath and Van was a beautiful butterfly shifter. But it scared her to shift because there are many small predators that would kill and eat her. Dulcie loved to solve mysteries and someone murdered Rudolph Barrymore and Dulcie would solve this case. Van is a Mastif dog shifter. When he first saw Dulcie he couldn't move, he just stared at her he was speechless all this time he's been waiting and here she is. He feels himself going into protection mode. He must protect her, which means he's going with Dulcie and help solve Barrymore's murder. I was gifted this ARC for an honest and truthful review.
