**Von David Baldacci : Hour Game (King Maxwell Series Book 2) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Hour Game (King Maxwell Series Book 2) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. GreatVon Geoff GloverGripping story line form start to finish . Well written crimi by the master. King and Maxwell work well together.9 von 9 Kunden fanden die folgende Rezension hilfreich. Great story full of secrets and

suspense Von Ein Kunde ``Hour Game" by David Baldacci is his second book with the protagonists Sean King and Michelle Maxwell. And, in my opinion, the whole plot is even better than in ``Split Second". But it is not the story itself that keeps you reading and reading. It is rather the many secrets that are unfolding the more you get involved in the story, the more you crawl deeper into this book. Deep Secrets hiding behind the surface of all of those characters Sean King and Michelle Maxwell have to confront to solve those highly complicated murders of a very intelligent and very serious killer. A killer knowing exactly what he is doing and what he has in mind. Baldacci accomplished with this story a very sophisticated and complicated web in which all the characters are involved in some way guarding partly cruel secrets and keeping them from each other. Thus Sean King and Michelle Maxwell have the difficult task to tear apart this dense web of love, intrigues and crime to look beyond the surface. That is the only possibility they have to resolve the case and to catch the killer before he has the chance to complete his nasty work. For what the two investigators don't know is the fact, that they are already included in his terrible game of murdering! All in all it is a very profound book with a very high-level-story and deep and well drafted characters that make you imagine to be really there, among of all those persons, among the murders and really not far off the killer. 5 von 5 Kunden fanden die folgende Rezension hilfreich. Very descriptive Von John Egbe Hour Game is a novel with a deep look into the mysterious world of a killer's mind, full of dark passions and morbid fear. The cold bloodedness of the killer is entirely credible. The way David Baldacci portrayed him gives us a clue as to how to figure out killers in society. Though rich, the characters in this book are predictable, dreary and mean. The plot of revolving around this psychopath is rich. Based on Sean King and the Michelle Maxwell who are determined to catch the serial killer, this page-turner will keep you on the edge of your seat to the final page. The book has enough suspense and mystery to thrill a reader You can also read DISCIPLES OF FORTUNE.
